There will be a text amendment to the Zoning Code presented to the City Commission at the next meeting (September 12). Would you please provide a letter of support/non-support of this text amendment at your earliest convenience? **I will need to finalize the item for the City Commission meeting on or before August 23rd.**

Parking (2023-215.pdf) – Generally speaking, this text amendment is consistent with our meeting on May 4th. The amendment to the parking eliminates reductions that may permit for applicants to construct a residential development with fewer than 1 parking space per dwelling unit.

Should you wish to discuss this amendment & possible implications, I'm happy to discuss with you over the phone.

Hours of operation for City Hall is: Monday – Thursday, 7 AM – 6 PM
