4.3 Notwithstanding the easements granted herein in favor of the 998 Property, the Owner of the 998 Property shall not be responsible for the payment of any fees or costs, or share in any expenses, relating to the use of the Ireland Property pursuant to this Declaration.

5. Covenant Running with the Land. The rights, easements and covenants herein established for the benefit of the Owners of the Ireland Property and the 998 Property shall run with, and be appurtenant to, title to the Ireland Property and the 998 Property and shall bind and benefit the Owners of the Ireland Property and the 998 Property, their successors, tenants, assigns, successors in title, mortgagees, invitees, agents and employees. However, this instrument is not intended to be and shall not be construed to be a dedication to the public for public use of any easements created herein.

6. Reasonable Use of Easements. The easements hereinabove granted shall be used and enjoyed by each Owner in such a manner as not to unreasonably interfere with, obstruct or delay the conduct and operations of the business of any other Owner at any time conducted on its property, including, without limitation, public access to and from said business, and the receipt and delivery of merchandise in connection therewith.

7. Notices. All notices and statements provided for or permitted hereunder shall be in writing and shall be deemed to have been properly given or served when delivered personally or deposited in the United States Mail, or any official successor thereto, as registered or certified mail, return receipt requested, postage prepaid and addressed as hereinafter provided. Each such notice shall be effective upon being so delivered in person or when mailed. The time period within which a response to any such notice or billing must be given, however, shall commence to run from the date of delivery, if delivered by hand, or from the date of receipt set forth in the return receipt notice, if mailed, as provided above. Any party hereto may change his address for

notice by giving the other party hereto at least fifteen (15) days prior written notice of any such change of address.

8. Exercise of Rights. All rights, powers and remedies provided herein may be exercised only to the extent that the exercise thereof does not violate applicable law and shall be limited to the extent necessary to render this instrument valid and enforceable. If any term, provision, covenant or agreement contained herein or the application thereof to any person or circumstance shall be held to be invalid, illegal, or unenforceable, the validity of the remainder of this Access and Parking Easement Agreement or the application of such term, provision, covenant or agreement to persons or circumstances other than those to which it is held invalid or enforceable shall not be affected thereby.

9. Governing Law. This instrument shall be governed by and construed in accordance with the laws of the State of Florida. In the event of any dispute arising from the terms of this Declaration, the venue shall be in Broward County, State of Florida.

10. Mortgagee's Rights. In the event that any Owner of the Ireland Property or the 998 Property shall default in the performance of any of their obligations hereunder, the holder of any mortgage shall have the right but shall not be obligated to cure any default within 10 days after receipt of written notice of said default or within additional time as may be reasonably necessary to cure said default, provided that the holder of said mortgage is proceeding with due diligence to cure said default and thereupon shall be entitled to all the benefits of this instrument.

11. Estoppel Certificate. Each Owner of the Ireland Property and 998 Property agrees, within ten (10) business days after written request by any other, to execute, acknowledge and deliver to and in favor of the other party or any proposed or existing mortgagee or purchaser of any portion of the Ireland Property or 998 Property, which is subject hereto, an estoppel certificate stating:

a. Whether or not this instrument has been modified or amended, and if so, identifying and describing any said modification or amendment;

b. Whether any owner has actual knowledge of any default hereunder by any owner or has any claim hereunder against any other owner and, if so, specify the nature of said default or claim.

12. Force Majeure. If any Owner shall be delayed or prevented from the performance of any act required hereunder by reasons of acts of God, strikes, lock-outs, labor troubles, plan

approval delay, inability to procure materials, restrictive governmental laws or regulations, adverse weather, unusual delay in transportation, delay by any other Owner of the Ireland Property or 998 Property or other cause without fault and beyond control of the party obligated to perform (financial inability excepted), then upon written notice to the remaining Owners of the Ireland Property or the 998 Property, the performance of said acts shall be excused for the period of the delay and the period for the performance of said act shall be extended for a period equivalent to the period of said delay; provided, however, that parties so delayed and prevented from performing shall exercise good faith efforts to remedy any such cause of delay or cause preventing performance, and nothing in this section shall excuse any party from the prompt payment of any sums or charges required of said party hereunder.

13. Fractionalized Interests. In the event any Owner shall acquire, transfer or convey its interest in its Property in such manner as to vest ownership of fractionalized interest in more than one person or entity, the several Owners of such fractionalized interest shall designate one of their number to act on behalf of all such Owners in the performance of the provisions of this Access and Parking Easement Agreement, which designation shall be relied upon until notice of a new designation signed by all such Owners or an order of a court of competent jurisdiction is received to the contrary; provided, however, all such Owners shall be jointly and severally liable hereunder.

14. Transfer of interest. Any party, upon conveyance of its respective property, shall be deemed to assign its rights and obligations under this Declaration and shall be released from liability hereunder thereafter accruing and such party's successors and/or grantees shall be deemed to assume the covenants and obligations contained herein. In the event either property is subdivided, then each successive Owner is deemed to be a party and subject to the terms and conditions of this Declaration with rights and obligations arising upon acquiring fee simple ownership or ownership of the Ground Lease as if said party was an original party to this Declaration

15. Amendment. This Declaration may be canceled, terminated, changed, modified or amended in whole or in part only by a written and recorded agreement, executed by the then Owners of the Ireland Property and the 998 Property and approved in writing by the Director of Development Services of the City. Notwithstanding anything in this Declaration to the contrary, no modification or termination of this Declaration may be approved by the City until and unless

the 998 Property is in full compliance with the City's off-street parking requirements. Any modification of this Declaration without the written consent of the City's Development Services Director shall be a violation of the City's Land Development Code and may be prosecuted as a City code violation.

16. Severability. If any provisions contained herein shall be held to be invalid or to be unenforceable or not to run with the land, such holding shall not affect the validity or enforceability of the remainder of this Access and Parking Easement Agreement. In the event the validity or enforceability of any provision of this Access and Parking Easement Agreement is held to be dependent upon the existence of a specific legal description, the parties agree to promptly cause such legal description to be prepared.

17. Third Parties. All portions of this Access and Parking Easement Agreement are for the exclusive benefit of the parties and, except as otherwise provided in this Access and Parking Easement Agreement not for the benefit of any other person or entity. This Access and Parking Easement Agreement shall not be deemed to have conferred any rights, express or implied, upon any third party. Except as expressly provided herein, nothing in this Access and Parking Easement Agreement shall be construed to create any rights in or for the benefit of any third party.

18. Term. This Declaration of Access and Parking Easement Agreement shall have a perpetual term unless earlier terminated by instrument executed by the Owners and the lessee under the Ground Lease and approved in writing by the Director of Development Services for the City.

19. Compliance with City Parking Requirements. No use on the 998 Property shall be continued without sufficient off-site parking under the City's Land Development Code. In the event that the off-street parking provided for in this Declaration becomes unavailable, the uses on the 998 Property may not be continued unless sufficient substitute parking is provided in accordance with the provisions of the City's Land Development Code.

IN WITNESS WHEREOF, Ireland, as the Owner of the Ireland Property and the ground lessee under the Ground Lease on the 998 Property, together with HBJ Holding, Ltd., the fee simple title holder of the 998 Property have caused the foregoing Declaration of Access and Parking Easement Agreement to be executed as of the day and year first above written.
