FROM: Maggie Barszewski, AICP, Planner 

SUBJECT: Placement of Second Reading on the November 14, 2017 City Commission Agenda for the Hillsboro Shores LUPA Request that had been First Read on May 23, 2017

P&Z # 15-92000004

The Hillsboro Shores Land Use Plan Amendment (LUPA) was first heard on May 23, 2017 and was approved on first reading at which time the applicant applied for the Broward County LUPA approval process. The Broward County Planning Council recommended approval at its September 28, 2017 public hearing. At its October 10, 2017 meeting the Broward County Commission approved the placement of the proposed LUPA for their November 7, 2017 public hearing. The applicant desires that the request be heard concurrently with the rezoning request. Therefore the Ordinance should be placed on the November 14, 2017 City Commission agenda for consideration of the City's LUPA Ordinance second reading.
