Subject: Special Exemption for 872 E McNab Road-hearing on 4/20/23

To whom it may concern:

Please be advised I am AGAINST the Special Exemption for this property.

The City needs to resolve the traffic issues on the street , especially with the overflow of stopped cars on McNab Road during the school drop off/pickup at McNab Elementary.

Cars are already driving on the swale and sidewalk of our commercial property to bypass stopped cars waiting for the police officer to turn the cars on to SE 9 Ave. Constant cars in and out from a hotel/motel right at the mouth of the problem will only increase the congestion.
