RE: - "3100 W. ATLANTIC" PLAT Being: A portion of Section 32-48-42 – City of Pompano Beach –  
6 +/- Acres. Located on the South side of Atlantic Boulevard, just West of N.W. 31<sup>st</sup> Avenue.

Dear Ms. Hernandez,

We are preparing a plat in City of Pompano Beach and a City requirement is to submit a letter from the utility companies who are franchised in the City stating their Easement needs or of No Objection to the plat.

Please complete the following and return it to us at your earliest convenience:

1. \_\_\_\_\_ We have No Objection to the plat.
2. ☒ We have no have No Objection to the plat if the following is satisfied: SEE  
NEXT (RIDER) PAGE
3. \_\_\_\_\_ We have an Objection to the plat as follows: \_\_\_\_\_

The site will be used for a Tennis Center (Recreational Facility) and a 100 Room Hotel. The project will require site plan approval from the City of Pompano Beach before construction begins. If your response requires a graphic representation, please feel free to mark up a copy of the plat attached.

This request was completed by:

Signature: \_\_\_\_\_

Print Name and Title: \_\_\_\_\_

**RE: 3100 W Atlantic Plat Being: A portion of Section 32-48-42 – City of Pompano Beach – 6+/- Acres. Located on the South side of Atlantic Boulevard, just West of N.W. 31<sup>st</sup> Avenue. This is an extension to AT&T's "...No Objection to the plat if the following is satisfied..".....follow-up clarification sheet**

Dear Jim,

AT&T Florida has no objections to your proposed plans as per your accompanying SP-1 SITE PLAN 3-29-22. As identified, AT&T does have current facilities on the pole line (joined with FPL) which runs east to west, in utility easement, along the immediate southside of your property and just north of the existing canal right-of-way - which also runs east-to-west. As long as your current plans do not require AT&T to relocate or otherwise remove or adjust any of its facilities in order to facilitate your planned process, all is well.

AT&T's "No Objection" sign-off assumes that your proposed work will not affect or be affected by AT&T's existing facilities in any way, shape or form. Let it be further understood that should it become necessary for any portion of AT&T's facilities to be removed for the maintenance of your existing facilities or to place new facilities, the cost of such removal and/or reinstallation will be at the property owner's expense. Also, should AT&T facilities within the existing easement sustain damage at any time, the property owner or the party responsible would be fully liable. If you have any further questions, please feel free to contact me at 954-260-2879.

Sincerely,

Patrick Browne
