

PARKING LICENSE AGREEMENT SANDS HARBOR HOTEL

THIS AGREEMENT, made this _____ day of _____, 2017, by
and between:

CITY OF POMPANO BEACH, a municipal corporation of the
State of Florida, hereinafter referred to as "CITY,"

and

SANDS HARBOR, INC., a Florida Corporation, of 101 North
Riverside Drive, Suite 205, Pompano Beach, Florida 33062,
hereinafter referred to as "LICENSEE."

WHEREAS, the CITY owns a municipal parking lot at 109 North Oceanside Boulevard,
Pompano Beach, Florida, (herein called "Oceanside") consisting of approximately 6.2 acres and
situated east of a hotel property owned by LICENSEE located at 125 North Riverside Drive,
Pompano Beach, Florida (herein called "Property") consisting of approximately 4.0 acres;

WHEREAS, LICENSEE has been granted variances for parking on its Property over the
years in which parking for their hotel and offices can be off-site including parking spaces on the
Oceanside parking lot to fulfil their parking zoning requirements; the variances are attached
herein as described as Exhibit B;

WHEREAS, LICENSEE currently purchases CITY monthly parking passes for
Oceanside for \$30 per month plus tax for 100 to 200 parking spaces at Oceanside;

WHEREAS, CITY amended its parking code on April 26, 2017, requiring commercial
establishments desiring greater than 2 parking passes to enter into a license agreement to be able
to park monthly in Oceanside;

WHEREAS LICENSEE desires to obtain from CITY a license to park automobiles owned by LICENSEE's hotel customers, employees, and office tenants on the Property under a license agreement (herein called "Agreement");

NOW, THEREFORE, in consideration of the foregoing and mutual covenants and conditions hereinafter contained, it is agreed by the parties hereto as follows:

1. License Area. CITY hereby grants to LICENSEE and LICENSEE hereby accepts from CITY a license to park the vehicles of its employees and customers of its hotel on the Property located in the area depicted in Exhibit "A," hereinafter referred to as "Oceanside." The License Area is to be used for parking vehicles owned or operated by LICENSEE's hotel guests, employees, tenants, vendors and others associated with the hotel, by LICENSEE twenty-four (24) hours a day, seven (7) days a week. The use of the License Area shall be a considered a temporary use.

2. Financial Compensation to CITY by LICENSEE. The use of said City Property by LICENSSEE for this restricted purpose shall be at a monthly fee of eight thousand seven hundred dollars (\$8,700.00) plus sales tax, escalating annually at a rate of three percent (3.0%) for the privilege of purchasing 174 overnight parking passes described in the City Parking Ordinance, Section 76.06 (C) (2) (d). Payment is due no later than the first day of the month. A late fee of ten percent (10.0%) will be assessed if LICENSEE fails to pay for parking beyond the tenth (10) day of the month for the month being contracted for.

3. Term of Agreement. This license shall be for a period of two (2) years commencing on the date of execution hereof by all parties for twenty-four (24) months or until terminated in accordance with provisions hereinafter stated. An extension may be granted by the mutual consent of both parties in writing.

4. **Termination of Agreement.** CITY may terminate this Agreement at any time with or without cause by giving the LICENSEE ninety (90) calendar days' notice.

5. **City Garage.** The CITY contemplates constructing a new multi-level garage on Oceanside to accommodate more parking demand by the general public and monthly parking customers. During the period that a new garage is being built, CITY will make its best efforts on behalf of the LICENSEE to find substitute parking suitable for its guests of the hotel only. Employees of the hotel and tenants of LICENSEE's office complex will need to find other suitable parking spaces in the area. However, the CITY contemplates providing employee parking on the west side of the intercostal waterway in the near future and operating a bus or tram service to transport employees in the beach area to and from their parking to their place of employment.

6. **License Area Maintenance.** CITY shall be responsible to maintain the License Area including but not limited to removing litter, garbage, or other material deposited on the License Area on a periodic basis. LICENSEE shall deposit with the CITY the sum of four thousand dollars (\$4,350.00), equal to one-half month in license fees to be used by CITY for maintenance of the License Area if, in the opinion of the CITY, such maintenance is necessary. The deposit shall be due upon the execution of the License Agreement. The CITY will notify LICENSEE prior to utilizing said deposit of its intent

7. **Maximum Vehicle Storage.** LICENSEE may park a maximum of 125 vehicles on the License Area and shall at no times overpark vehicles. Refer to Exhibit C for a description of LICENSEE's demand for parking at its Property. Vehicles include passenger cars and ¾ ton pickup trucks; no large vans or oversized vehicles nor commercial vehicles defined in the City's Code of Ordinances may park in Oceanside. No vehicles may be parked that are not titled or without tags and current registration. Spaces are available on a "first-come, first-serve" basis.

Vehicles, according to the Parking Ordinance Section 76.06 (C) (2) (d), may park overnight at their own risk. LICENSEE may increase its quota of parking passes up to 200 passes subject to approval by the City Manager or its designee by paying the additional prorata fee.

8. Bankruptcy/Foreclosure. In the event of bankruptcy or foreclosure of the LICENSEE, the license agreement becomes null and void.

9. Signage. The LICENSEE may install one sign in front of the License Area facing North Riverside Drive to designate that the License Area may be used for guests of the hotel with the proper display of a hangtag issued under this Agreement. The cost of the signage shall be borne by the LICENSEE. The signage must be permitted with the CITY. LICENSEE shall maintain the sign in good condition in the opinion of the CITY.

10. Taxes. As further consideration of this License Agreement, LICENSEE agrees to pay any taxes, including sales taxes, of whatever nature that may validly be levied against the license area premises or pursuant to this Agreement during the continuance of this Agreement

11. Permitted Use. LICENSEE specifically agrees that it will use the CITY Property pursuant to this Agreement only for the intended purpose. Further, that it will not suffer or permit the premises or any part thereof to be used for any other purpose without the express written consent of CITY. Failure to abide by this provision will be a cause of default of the Agreement and the CITY may terminate the license with written notice unless LICENSEE corrects the cause of default within 30 days.

12. Public Benefit. The license area shall be used to benefit the general public by relieving the congested parking on the LICENSEE'S property and providing parking to service a hotel that promotes the use of the CITY's recreational beaches and other public spaces.

13. City Approval of New Licensee. Should the LICENSEE sell an interest in part or whole of its property or dealership situated near the License Area as described herein above,

the CITY reserves the right to approve of the new LICENSEE and the continuation of the license. Such approval shall not be unreasonably withheld.

14. Additional Improvements/Alterations. It is further expressly agreed by LICENSEE that it shall not make any alteration to the License Area. In the event additional improvements are sought by the LICENSEE, those improvements may be constructed at LICENSEE's expense according to the written agreement of the LICENSEE and CITY. The CITY will not withhold approval of any reasonable improvements requested provided the proposed improvements do not cause a hazard to public safety and do not interfere with the use of the parking lot by the general public as determined by the City Engineer.

15. License Definition. It is expressly understood and agreed that no real or personal property is leased to LICENSEE by CITY. This license is nonexclusive and is not intended to restrict the rights of the public for pedestrian foot-trail passage to access the public beaches and other amenities. CITY and LICENSEE acknowledge that the intention of this license is for CITY to grant a license to LICENSEE to store vehicles of LICENSEE and LICENSEE's guests and tenants for LICENSEE's use and benefit, and that there is no intention whatsoever to grant to LICENSEE, its successors or assigns, or to any other person or entity, any permanent rights of any kind in CITY's real property. This agreement shall not be recorded in the Public Records of Broward County, Florida.

16. Hold Harmless. LICENSEE assumes all risks in the use and maintenance of the License Area. LICENSEE shall be solely responsible for any damage to, or loss of, motor vehicles parked within the License Area as well as the property of the LICENSEE. LICENSEE further covenants and agrees to indemnify and hold harmless CITY and its officials, officers and employees from any and all claims (which shall include, but not be limited to, the defense of any claims and any and all costs in any judicial or quasi-judicial proceedings and for any and all

damages or penalties of any kind or nature), suits, losses, damage or injury to person or property of whatsoever kind and nature, whether direct or indirect, arising out of this license or the carelessness, negligence or improper conduct of LICENSEE or any tenant, servant, agent or employee of LICENSEE.

17. Insurance. LICENSEE shall procure at its own cost and expense the insurance coverage set forth in EXHIBIT D naming the City of Pompano Beach as an additional insured pursuant to this Agreement, said Certificate of Insurance to be approved by the CITY's Risk Manager prior to execution of this Agreement. If LICENSEE subcontracts with a vehicle transport operator rather than transporting the vehicles themselves, the CITY retains the right to approve the subcontractor which shall not be unreasonably withheld. However, the subcontractor must also, in addition to the LICENSEE, obtain insurance coverage set forth in Exhibit D.

18. Non-Transferability. LICENSEE is not permitted to assign, transfer, convey or otherwise dispose of this license to any other person or corporation without the previous written consent of CITY. In the event of an attempt to assign, transfer, convey or otherwise dispose of this license to any person not specifically a party to this Agreement and license, then this license shall be null and void and terminated without notice to LICENSEE. The CITY will not unreasonably withhold approval for said purposes.

19. Rights of Parties. Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies under or by reason of this Agreement upon any person other than the parties hereto and their respective heirs, successors, legal representatives, and permitted assigns, nor is anything in the Agreement intended to relieve or discharge the obligation or liability of any third persons to any party to this Agreement, nor shall any provision

thereof give any third person any right of subrogation or action over or against any party to this Agreement.

20. Risks and Hazards Emergency. Notwithstanding any provision herein to the contrary, if at any time CITY determines there is an emergency in its sole discretion of the existence of hazardous motor vehicles on the License Area which poses a risk or hazard to the public health, safety or welfare, then the LICENSEE shall, immediately upon receipt of written, email, or verbal notice from CITY, remove the motor vehicles, at LICENSEE's sole expense. If the vehicles are not immediately removed, CITY may remove the motor vehicles and LICENSEE agrees to pay for the costs to remove the motor vehicles. During any time of a hurricane alert, CITY will notify LICENSEE to remove all vehicles in Oceanside if the CITY determines it is in the best interest of the public that such removal is necessary.

21. Compliance with Laws/Regulations. LICENSEE and his/her employees, agents, representatives, tenants and/or subcontractors agree to comply and adhere to all applicable laws and regulations, including but not limited to, all state laws and local ordinances and regulations regarding traffic and parking that exist or as amended from time to time.

22. Venue. Should any disputes resulting from this agreement arise between CITY and LICENSEE, or any other party in interest, the jurisdiction for any litigation and dispute resolution proceedings shall be in Broward County, Florida.

23. Public Records

A. The City of Pompano Beach is a public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records Law, as amended. Specifically, the Contractor shall:

1. Keep and maintain public records required by the City in order to perform the service.

2. Upon request from the City's custodian of public records, provide the City with a copy of requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the City.

4. Upon completion of the contract, transfer, at no cost to the City, all public records in possession of the Contractor, or keep and maintain public records required by the City to perform the service. If the Contractor transfers all public records to the City upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records in a format that is compatible with the information technology systems of the City.

B. Failure of the Contractor to provide the above described public records to the City within a reasonable time may subject Contractor to penalties under 119.10, Florida Statutes, as amended.

THIS IS AN APPEAL FROM THE PROVISIONS OF SECTION 155.113 (B) OF
CHAPTER 155 OF THE CODE OF ORDINANCES OF THE CITY OF POMPANO BEACH,
FLORIDA.

PETITIONER:

SANDS HARBOR, INC.

Requests:

A variance be granted in order to construct an office addition to an
existing building without providing the required 40 parking spaces for
the addition, while eliminating 40 existing spaces on the site, rather than
providing an additional 80 parking spaces elsewhere on the site, as
required by the Code.

WHEREAS, it appears that special and peculiar circumstances which are not the result of
the actions of the petitioner or his representative affect the land, buildings or structures for which
approval is sought, and further, that the denial of the request by the petitioner would deprive the
petitioner of the reasonable use of his property, NOW, THEREFORE, the Zoning Board of
Appeals finds that the granting of this permission will be in harmony with the general purpose and
intent of the Zoning Ordinances of the City of Pompano Beach, Florida, and will make possible the
reasonable use of the petitioner's property. The Board further finds that to deny the petitioner his
request would impose an unreasonable and unnecessary hardship upon the petitioner and that the
granting of this permission is wholly harmonious and consistent with the best interest of the
general public.

IT IS, THEREFORE, ORDERED THAT A VARIANCE IS GRANTED TO PETITIONER:

SANDS HARBOR, INC.

To:

Construct an office addition to the existing building on the site without
providing 40 parking spaces for the addition, while eliminating 40 existing
parking spaces on the site, as requested.

This Approval is subject to the following conditions:

- 1) Petitioner shall purchase, on an annual basis, 80 parking decals (in addition
to the 40 decals required by any excursion vessel operating from the property,
by virtue of a previous variance).

DECISION
Zoning Board of Appeals
Appeal #97-17
Page 2

- 2) At such time as parking decals or parking spaces are no longer available, the petitioner shall obtain the use of 80 parking spaces, by a manner acceptable to the City.
- 3) There shall be no valet parking on the south end of the building, between Sands Harbor and Basin Marine Center.

This Approval shall become effective and final fifteen (15) days from the date of passage provided, however, that in the event an appeal, as provided for in Section 155.025, has been timely filed, no action may be taken on the order by the Zoning Board of Appeals until the conclusion of the appeal before the City Commission.

In accordance with the provisions of Section 158.024 (J) of the Code of Ordinances, the relief granted by the Zoning Board of Appeals is limited to the authority vested in the Board and does not exempt the petitioner or owner from the responsibilities of obtaining all applicable permits and/or approvals as may be required by law, or by the City, for both new and existing structures.

Any variance, special exception, temporary permit or other decision of the Zoning Board of Appeals shall expire and become null and void 180 days after said action unless, within the said 180 day period, or other time period as ordered by the Board, any and all permits and/or approvals required by law, or by the City, including building permits, have been properly acquired or unless within the 180 day period, a request is made consistent with the Code of Ordinances seeking an extension of time for the variance, special exception or other specific order that had been approved by the Board. If no approval or permit is required, the use allowed by the Zoning Board of Appeals must be commenced within the said 180 day period unless otherwise provided by the Board or unless within the 180 day period a request is made consistent with the Code of Ordinances seeking an extension of time for the variance, special exception or other specific order that has been approved by the Board.

Any request for an extension from the time frames as required by an order of the Zoning Board of Appeals must be made by the petitioner or owner and it shall be the petitioner's or owner's burden to establish a good and sufficient cause for any extension of time. There shall be no more than five (5) extensions of time in any one case, each of which shall be no greater than 180 days or in the aggregate in excess of 900 days for any variance, special exception or other specific order of the Zoning Board of Appeals.
