SUBJECT: Selected Artist for Mosaic Team Term 3 Program

At the meeting of the Public Art Committee held on June 6, 2022, the Committee selected artist Sonata Kazimieraitine as the lead artist for the Mosaic Team Term 3 program. Ms. Kazimieraitine was the lead artist on the first two terms of the program and works very well with the Committee and Staff. She will work with five apprentices to teach them the craft of mosaic and complete this project.

The Committee unanimously approved Sonata Kazimieraitine and think this program will enhance the aesthetic and cultural value of the City.
