Vince Wooten Notes: *Recommend approval of full funding. Application demonstrated appropriate capacity to carry out the activity of providing education and treatment to 100% of LMI uninsured, LEP, and working poor Pompano Beach residents that are below 200% of the national poverty level and who do not have and cannot afford healthcare or health insurance (even under the Affordable Care Act), nor are eligible for government benefits by providing community outreach, access to FREE direct comprehensive health care services and medical treatment, providing education and counseling through multi-lingual volunteer medical professionals to improve health and disease management and to avoid unnecessary medical emergencies while reducing the costs to the public health system. This is a continuation of the prior years funding which I understand, through monitoring, has proved to be an efficient use of CDBG funding. The applicant is well leveraged with other sources of financing and the business model has proven successful in the past.*

Vince Wooten Notes: *Recommend approval of funding. However, percentage of budget funded with CDBG is 27% and the applicant is requesting 100% increase over 2022/2023 request of \$18,500.*

Application demonstrated appropriate capacity to carry out the activity of supporting the operation of its Russell Reading Program in three community centers throughout the City of Pompano Beach. RLS serves approximately 95 low income kindergarten through fifth grade students (age five-12) residing in the City of Pompano Beach and determined to be at-risk in their reading skills for various reasons including learning, economic, and language-based difficulties. In addition to mentoring and family engagement activities, the Russell Reading Program incorporates evidence-based strategies into tutoring instruction, homework assistance and comprehensive education services that will help improve reading, math, science and language skills, with a primary goal of improving literacy and reading skills by at least one grade level upon completion of the program.

The applicant has prior successful experience on similar projects within the City of Pompano Beach community.

Vince Wooten Complete	30	30	20	15	0	95
--------------------------	----	----	----	----	---	----

Vince Wooten Notes: *Recommend approval of full funding of \$20,000 requested. Despite being awarded \$16,500 of CDBG funding through Pompano Beach for the 2022/23 programming year, I believe the 2023/24 economy is experiencing inflation resulting in increased costs of services. Application demonstrated appropriate capacity at their facility located at The North Homeless Assistance Center at 1700 Blount Road, Pompano Beach, FL 33069 to carry out the activity of providing comprehensive homeless services that offers street outreach, 270 emergency shelter beds, permanent supportive housing programs, and a complete array of health and social services for Pompano Beach residences. A full complement of stabilization services includes access to case management, three nutritious meals a day, medical care, mental health and substance abuse treatment, counseling and/or education, housing navigation, and vocational training and employment assistance needed to establish self-sufficiency and housing stability.*

The applicant has prior successful experience on similar projects within the Pompano Beach homeless community. The applicant is well leveraged with other sources of financing and the business model has proven successful in the past.
