

### Memorandum No. 21-11

**DATE:** February 08, 2021

**TO:** Tammy Thompkins, Purchasing Agent

**FROM:** Gary Eagle PM/Tammy Good, PMP, CIP Manager

**SUBJECT:** T-34-20 Taxiway Delta Reconstruction Phase II – Bid Award Recommendation

---

On November 12, 2020 construction bids were opened for the above referenced project. On behalf of the City of Pompano Beach, the design consultant and engineer of record (EOR), Kimley-Horn and Associates, Inc. (Kimley-Horn) reviewed the bids for the above referenced project. Based on the satisfactory evaluation of their reference checks, qualifications and prior work history on active airports, staff recommends awarding this project to the second lowest bidder, General Asphalt Paving Inc., in the amount of \$1,127,856.69

As part of the evaluation by City Engineering Staff it was determined the lowest bidder Weekly Asphalt Paving, Inc. had performed poorly on a previous City project resulting in a reluctance to recommend award for the above project.

For reference, I have included the Engineer of Record (Kimley Horn) Recommendation to Award letter, Bid Tabulation spread sheet, the City's signed Bid/Quote Award Recommendation Form and Memo 21-11 to award this project to General Asphalt Paving, Inc. Please prepare an agenda package for presentation and approval at the February commission meeting.

This project is substantially funded with an approved grant by the Florida Department of Transportation (FDOT) totaling 80% or \$902,285.35 of total awarded construction costs.

Should you have any questions, please do not hesitate to contact me 954-786-5521.
