Subject: Briny Rezoning going to March 23, 2021

Maggie – I just wanted to confirm for the record that the Applicant for the Briny Rezoning is intending to be on the March 23, 2021 City Commission hearing for their rezoning. They will be providing their most updated conceptual site plan and any other documentation necessary for that agenda item prior to the March 9th agenda item deadline for that hearing.

Thanks,

Jean
