DATE: December 19, 2018

TO: Otis Thomas, General Services Director

FROM: Anthony Alhashemi, Project Manager

SUBJECT: Esquire Lake Stormwater Improvements– Bid Award Recommendation E-03-18

On November 16, 2018 bids were opened for the above referenced project. The lowest bidder was DBF Construction, LLC. with a construction cost of \$2,829,223.34

The references supplied by DBF Construction have been checked and the above mentioned contractor has performed multiple successful construction projects with the City of Pompano Beach.

Being the low bidder, coupled with favorable references and local participation, it is my recommendation that the award of this contract be made to DBF Construction in the amount of \$2,829,223.34.

The project will be funded by a State Revolving Fund (SRF Loan).

One Executed Bid Award Recommendation form is attached. Please prepare an agenda package for inclusion on the City Commission agenda for consent approval.
