Good afternoon, Mr. Adkins. My name is Blair Wallace and I grew up right here in Pompano Beach. My dad was a small business owner. He was in the Rotary club for years. I actually ran on Barry Dockwell's campaign for city commissioner back when I was going to FAU he was a good friend of the family. I've been involved at a grassroots level from years ago. I can't express enough how amazing all of the updates have been to Pompano Beach as someone who is 40 years old and has three young children I want nothing more than to see this City grow. I actually remember when they moved the McNabb house to its current location. It was a huge fee for the city and a great success of preservation. I myself personally have been waiting for the house and gardens to be complete, but I understand it's been caught up in zoning issues please please please do whatever it takes to get the zoning approved. Everyone wants it. Everyone is waiting and it will help preserve the history of Pompano and be a highly desired tourism spot. Thank you in advance for your time and consideration.

All the best,

Blair Wallace
