To Whom It May Concern:

I am writing this letter in support of the City of Pompano and its 2016 Community Application to be recognized as a Preserve America Community.

The City of Pompano Beach is engaged in preserving its heritage and promotes several events during the year to residents to enjoy and experience its history, including the Juneteenth Celebration.

Tourists are able to enjoy the history of the city by visiting the Sample McDougal House, which had been restored so that residents and visitors can enjoy the interesting history of the home.

I fully support the City of Pompano Beach in its request to be recognized as a Preserve America Community.

Thank you for your consideration to their application.

If you require any further information, please do not hesitate to contact my office.

Sincerely,

A handwritten signature in cursive script that reads "Gwyndolen Clarke-Reed".
