Hi John (It's Tiffany on Linda's e-mail):

Because of lower projected turnout in the March 2020-PPP, the estimate for March is \$30,000; whereas, the estimate for November-General Election 2020 is \$40,000.

Please let me know if you need anything else.

Can we get this to them today?

Hi John,

Can you provide me with the municipal cost of elections in March versus November. Thank you for your prompt response to this request.
