

**Narrative:**

The proposed Take 5 Oil Change project is located along N Federal Highway at the NW corner of the intersection of N Federal Highway and NE 48<sup>th</sup> Street in Lighthouse Point, FL. The project proposes 1,421 SF of minor auto repair use. The following estimates demonstrate the expected peak hour project traffic & daily traffic based on the ITE Trip Generation Manual, 11<sup>th</sup> edition.

**Estimated Project Traffic:**

Description/ITE CODE	Units	Input	PM Peak Period Rate	Daily Trips	Peak Hour
Quick Lube Shop 941	Service Bays	3	5.19	120	16
Total				120	16

**Conclusion:**

Based on the estimates, no further traffic analysis is required.
