Good day.

I'm the owner of 518 NE 10th Ave, I recently bought this house. One of the main reasons is the neighbourhood.

I want to keep the area as low density as possible. I certainly don't want more temporary residents floating around.

I'm not at all sure what the patients are recovering from. But please recover somewhere else.

Please don't adjust the zoning. Let them find somewhere else that has the existing zoning in place.
