Community Development (“CPHCD”)

RE: Soleste Pompano Beach
208 North Federal Highway
Pompano Beach, FL 33062

Re: Crime Preventative Measures: License Plate Recognition system, Surveillance System and access Controls for the critical areas

To whom it may concern:

Please be advised that the Project at Soleste Pompano Beach (the “Development”) will be equipped with the appropriate technology and camera equipment to capture pictures and videos of the vehicular license plates that enter and exit the Development.

ASINET Security & Communications (“ASINET”) will serve as the Low Voltage consultant on the Development. With over 15 years of experience in the field of wireless transmission, signal amplification, wireless propagation, system designs, security and surveillance, their expert team has the required knowledge and skills, to promote a safe living environment at the Development.

Should you have any questions, please feel free to contact me via e-mail at info@asinet.com.

Sincerely,

Norge L. Pineda
President
