In the event that the City of Pompano Beach fails for any reason to appropriate funds for this contract, this Contract shall be deemed terminated and City shall provide Recipient with ten (10) business days written notice. Upon receipt of said notice, Recipient shall be responsible for any and all expenses and/or legal obligations made after receipt of written notice from the CITY.

10. Force Majeure. Neither party shall be obligated to perform any duty, requirement or obligation hereunder if such performance is prevented by fire, hurricane, earthquake, explosion, war, civil disorder, sabotage, accident, flood, acts of God or by any reason of any other matter or condition beyond the control of either party which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall economic hardship or lack of funds be considered an event of Force Majeure. If either party is unable to perform or delayed in their performance of any obligations hereunder by reason of any event of Force Majeure, such inability or delay shall be excused at any time during which compliance therewith is prevented by such event and during such period thereafter as may be reasonably necessary for either party to correct the adverse effect of such event of Force Majeure.

In order to be entitled to the benefit of this provision, within five (5) days after the beginning of any such delay, a party claiming an event of Force Majeure shall have given the other party written notice of the cause(s) thereof, requested an extension for the period and also diligently proceeded to correct the adverse effect of any Force Majeure. The parties agree that, as to this provision, time is of the essence.

To the extent considered necessary by City, any sums due Recipient hereunder may be retained by City until all of City's claims for indemnification hereunder have been settled or otherwise resolved, and any amount withheld shall not be subject to payment or interest by City.

B. Recipient acknowledges and agrees that City would not enter into this Contract without this indemnification of City by Recipient. The parties agree that one percent (1%) of the total compensation paid to Recipient hereunder shall constitute specific consideration to Recipient for the indemnification provided under this Article and these provisions shall survive expiration or early termination of this Contract.

13. Sovereign Immunity. Nothing in this Contract shall be construed to affect in any way the rights, privileges and immunities of the City and agencies, as set forth in Article 768.28, Florida Statutes.

14. Non-Assignability and Subcontracting.

A. Non-Assignability. This Contract is not assignable and Recipient agrees it shall not assign or otherwise transfer any of its interests, rights or obligations hereunder, in whole or in part, to any other person or entity without City's prior written consent which must be sought in writing not less than fifteen (15) days prior to the date of any proposed assignment. Any attempt by Recipient to assign or transfer any of its rights or obligations hereunder without first obtaining City's written approval shall not be binding on City and, at City's sole discretion, may result in City's immediate termination of this Contract whereby City shall be released of any of its obligations hereunder. In addition, this Contract and the rights and obligations herein shall not be assignable or transferable by any process or proceeding in court, or by judgment, execution, proceedings in insolvency, bankruptcy or receivership. In the event of Recipient's insolvency or bankruptcy, City may, at its option, terminate and cancel this Contract without any notice of any kind whatsoever, in which event all rights of Recipient hereunder shall immediately cease and terminate.

Organization Name: Pompano Beach Historical Society

Program Funded: Pompano Beach Historical Society Programs, Tours, and Events

Amount Funded: \$5,000

Program description: On Saturdays between October and April, the Historical Society maintains a booth at Pompanos longest operating Green Market. This provides an ideal opportunity to engage with the local community and visitors to promote the history of Pompano Beach and encourage participation within the many activities conducted by the Historical Society and other community events. The Historical Society is a founding partner of the Green Market and actively participates in its yearly planning and operations.

The Historical Societys goal is both to educate and inspire. Educate to instill appreciation for Pompanos past, and inspire to spark application of past accomplishments toward future goals. The funding provided by the City of Pompano Beach allows the Historical Society to continue to devote needed resources towards accomplishing this goal by supporting the ongoing archival and digitization of the Society's photographs, maps, and other items, and the cost to maintain and operate our historic Kester Cottages and museum. Funding also contributes towards offsetting a portion of the monthly operating cost to maintain a part-time Executive Director instrumental in the coordination and planning of all Society sponsored programs and events.

Pompano Beach Historical Society

Year Applying: 2018-2019

Mission: The Pompano Beach Historical Society's mission is to collect, preserve and publicize the history of the Greater Pompano Beach area.

Overview: The Historical Society provides a variety of services to the Pompano community via regular programs and lectures, historical tours, and management of our historical properties and museum. We also participate and assist in operating Pompano's Green Market over the course of the season, conduct historically themed fundraisers and other events several times a year, and actively manage and provide access to the thousands of artifacts, photos, and other items that promote Pompano's rich history. We often collaborate with other, like-minded organizations within the community to enhance the value that we deliver to the public.

Website: <http://www.pompanohistory.com/>

Which Funding Priority Does Your Nonprofit Qualify For: Community Events

Type of Organization: Public/Societal Benefit

Executive Summary - How Nonprofit will use City of Pompano Beach Funding? The Pompano Beach Historical Society intends to use the funding provided by the City of Pompano Beach to support, in part, the operation of our monthly programs and lectures; assist in the archival and digitization of the organization's vast collection of photographs, maps and other artifacts; maintain and provide access to the Kester Cottage museums; and management of our historic publications.

How Does Your Nonprofit/Program Fit the Guidelines and Funding Interests? The Historical Society's many activities and programs are designed to engage, educate, and enrich the well-being of our diverse Pompano Beach community. Historically themed programs and lectures, events organized to share the history of Pompano Beach, active support of Pompano's long-running Green Market and other events within our growing downtown and Innovation District help to both bring our community together and enhance the cohesiveness and quality-of-life within our neighborhoods. An understanding and appreciation of Pompano's history provides the basis for building a better future together and further promotes Pompano Beach as a great place to live and work.

Statement of Need: The funding provided by the City of Pompano Beach is significantly instrumental in enabling our mission and typically supports over 20% of our yearly operating budget. While the Historical Society generously receives strong support from local community members, business organizations, and other non-profits, the Society primarily relies on local members and others that volunteer to operate our programs and tours, participate in community outreach, and to maintain our historic collections and museum.

Does Your Organization Receive Matching Funds? No

If Yes, please explain the matching gift partnership you have:

Total Board Members: 17

Include a Description of the Geographic Area You Serve: All Pompano Beach Historical Society programs and other events are open to the public and serve the entire greater Pompano Beach community. Residents and visitors attend all programs and lectures at no charge.

Details – Program/Event 1

Which are you applying for? (Program/Event) Program

Program/Event: Pompano Beach Historical Society Programs, Tours, and Events (various)

Type of Program/Event: Other

If other: Conduct twelve monthly programs and lectures. Operate six bi-monthly historic tours of the City of Pompano Beach. Conduct guided tours of the Kester Cottage museums (on demand). Participate in approximately thirty Green Market dates on Saturdays between

Describe the program/event succinctly: Monthly programs and lectures based on a suitable historic theme are planned and operated throughout the year by members of the Historical Society. Lecturers in the past have included long-time Florida historian and author Sally Ling, as well as speakers from local organizations such as the Pompano Women's Club, and the Tiger Trail organization.

Bi-monthly historic tours of the City of Pompano Beach are narrated by Dan Hobby, a local historian and author, or long-time resident or descendant of a pioneer family. The historic tours visit landmarks and historic sites throughout the City of Pompano Beach. Museum tours of the historic Kester Cottages located at Founder's Park are conducted on demand throughout the year. Tours are provided at no charge by local docents with deep history of the Cottages and artifacts within.

On Saturdays between October and April, the Historical Society maintains a booth at Pompano's longest operating Green Market. This provides an ideal opportunity to engage with the local community and visitors to promote the history of Pompano Beach and encourage participation within the many activities conducted by the Historical Society and other community events. The Historical Society is a founding partner of the Green Market and actively participates in its yearly planning and operations. The Historical Society conducts three to four fundraisers throughout the year to raise funds covering the balance of our yearly operating expenses. As part of our fundraising effort, the Historical Society is proud to annually host members of the original Florida Highwaymen artists to showcase, and sell to the public, historic works of art illustrating Florida landscapes from an earlier time. The Historical Society typically hosts a lecture event coinciding with the fundraiser to allow one of the Highwaymen to share his or her involvement with the Highwaymen story, and to participate in a general discussion with the public.

Elaborate on the program/event objectives. How do you plan on using the funding to solve the problem? The Historical Society's goal is both to educate and inspire. Educate to instill appreciation for Pompano's past, and inspire to spark application of past accomplishments toward future goals. The funding provided by the City of Pompano Beach allows the Historical Society to continue to devote

needed resources towards accomplishing this goal by supporting the ongoing archival and digitization of the Society's photographs, maps, and other items, and the cost to maintain and operate our historic Kester Cottages and museum. Funding also contributes towards offsetting a portion of the monthly operating cost to maintain a part-time Executive Director instrumental in the coordination and planning of all Society sponsored programs and events.

What are the outcomes of your program/event? The Historical Society strives to build stronger neighborhood ties and enhance community engagement through greater appreciation and insight into greater Pompano's history. Through active participation in programs and events within Pompano's historic downtown and Arts and Innovation District, the Historical Society aims to partner with neighborhood and other like-minded organizations to strengthen the well-being and outlook within our community and further improve prospects for both existing and new residents of our growing city.

Estimated number of attendees at program/event: 10,001+

Please specify the number of City of Pompano Beach residents your organization will serve if program/event is funded: Approximately 12,000

Describe the demographics of the population you are impacting with program/event. All programs and other activities conducted by the Historical Society are open to the general public and are not targeted towards specific demographic groups. The vast majority of attendees at program events are residents of Pompano Beach along with their family members and friends of all ages. Out-of-town participants increase during the winter season. Events with broad south Florida appeal typically draw increased participation from the surrounding communities. Several activities planned at the Green Market are typically geared towards children.

What are your organizations credentials? Tell us why your organization does it better than anyone else. The Pompano Beach Historical Society was first organized in 1973 by residents to collect and preserve the artifacts and memories of “Old Pompano.” The founding members of the Society chose the plow as a symbol for the organization to reflect the community's agricultural heritage. Since then, the two Kester Cottages donated by the Kester family in 1974, the city's original Fire Station housing two original Pompano Beach fire engines dating from 1926 and 1949, along with the Hood Center, a generous gift of Dick and Miriam Hood “all located within Founders Park” comprise the hub of the Pompano Beach Historical Society facilities serving the entire Pompano Beach community.

The Pompano Beach Historical Society is now the city's primary non-profit organization responsible for collecting, managing, and providing access to the historical information and artifacts that document our city's history, activities, and events. Beyond the role of custodian, Board and Society members actively fulfill our mission to share Pompano's rich history with our community and beyond “to promote, inform, and educate” driving appreciation and satisfaction within our city. The Historical Society enthusiastically believes that a thoughtful understanding of our city's past enables residents to fulfill greater potential as Pompano Beach continues to grow in a new century.

The Historical Society has been engaging members and the community regularly since its founding presenting historically themed programs and lectures on a monthly basis. The Historical Society is instrumental in sponsoring publications authored by local historians and pioneers that chronicle the many events and milestones within Pompano's past.

The Society is also a founding principal of Pompano's longest running Green Market. The Market, while organized to promote Pompano's agricultural heritage, provides an ideal opportunity to engage the public, and promote awareness to the many cultural activities within the city. The Historical Society maintains a booth staffed by members and other community volunteers during each Green Market event.

Any other information you wish to share? From the Historical Society's involvement with the city's Green Market, to the Society's lead role in successfully organizing the celebration of Pompano Beach's 100th anniversary, to today's historically themed programs and lectures engaging community members, the Pompano Beach Historical Society has emerged as a premier partner of the City of Pompano Beach to both promote our city's history and provide ongoing cultural benefit to the city's residents.

The Pompano Beach Historical Society actively collaborates with other historically themed non-profit organizations within Pompano Beach, Broward County, and the State of Florida to enhance the value of our efforts. Board members within the Historical Society often participate with or serve on boards of the Broward County Historic Preservation Board, the Pompano Beach Historic Preservation Committee, Pompano's Sample-McDougald House, the CRA and others to provide synergy across activities that

help to preserve and promote our region's history. Together we build a stronger platform of offerings that collectively help our organizations engage within the community at large and promote the community's well-being going forward.
