### Issue

Staff is seeking City Commission approval of a Resolution to accept sidewalk easements being conveyed by the Pompano Beach Community Redevelopment Agency ("CRA") to the City of Pompano Beach ("City").

### Recommendation

Staff recommends Approval of the Resolution.

### Background

On September 17, 2019, the CRA Board agreed to convey sidewalk easements for property located at 800 Dr. MLK Boulevard, 236 Dr. MLK Boulevard, and 690 Dr. MLK Boulevard (see Exhibits 1-3). These easements are necessary to perform planned improvements in front of these properties. Upon approval and subsequent recording of these easements, the City's contractor will be able to carry out improvements including demolition, grading and earthwork, replacement of existing sidewalks, new landscape and irrigation, new lighting, etc. Funding for proposed work is made possible by the City's General Obligation Bond (GO Bond) approved by voter referendum on March 13, 2018.

Staff recommends Approval of the Resolution.
