CITY OF POMPANO BEACH**

This amendment is executed by the STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (Department) and the CITY OF POMPANO BEACH, FLORIDA, (Local Government) existing as a local governmental entity under the laws of the State of Florida. Collectively, the Department and the Local Government shall be referred to as “Parties” or individually as “Party”.

The Department and the Local Government entered into a State Revolving Fund Loan Agreement, Number WW062470, as amended; and

Loan repayment activities need rescheduling to give the Local Government additional time to complete construction; and

Certain provisions of the Agreement need revision.

The Parties hereto agree as follows:

1. Section 8.09 of the Agreement is deleted and replaced as follows:

8.09. DAVIS-BACON AND RELATED ACTS REQUIREMENTS.

(1) The Local Government shall periodically interview 10% of the work force entitled to Davis-Bacon prevailing wages (covered employees) to verify that contractors or subcontractors are paying the appropriate wage rates. Local Governments shall immediately conduct interviews in response to an alleged violation of the prevailing wage requirements. As provided in 29 CFR 5.6(a)(5) all interviews must be conducted in confidence. The Local Government must use Standard Form 1445 or equivalent documentation to memorialize the interviews. Copies of the SF 1445 are available from EPA on request.

(2) The Local Government shall periodically conduct spot checks of a representative sample of weekly payroll data to verify that contractors or subcontractors are paying the appropriate wage rates. The Local Government shall establish and follow a spot check schedule based on its assessment of the risks of noncompliance with Davis-Bacon posed by contractors or subcontractors and the duration of the contract or subcontract. At a minimum, if practicable, the subrecipient should spot check payroll data within two weeks of each contractor or subcontractor’s submission of its initial payroll data and two weeks prior to the completion date of the contract or subcontract. Local Governments must conduct more frequent spot checks if the initial spot check or other information indicates that there is a risk that the contractor or subcontractor is not complying with Davis-Bacon. In addition, during the examinations the Local Government shall verify evidence of fringe benefit plans and payments thereunder by contractors and subcontractors who claim credit for fringe benefit contributions.

(3) The Local Government shall periodically review contractors' and subcontractors' use of apprentices and trainees to verify registration and certification with respect to apprenticeship and training programs approved by either the U.S Department of Labor (DOL) or a state, as appropriate, and that contractors and subcontractors are not using disproportionate numbers of laborers, trainees, and apprentices. These reviews shall be conducted in accordance with the schedules for spot checks and interviews described in items (1) and (2) above.

(4) Local Governments must immediately report potential violations of the Davis-Bacon prevailing wage requirements to the appropriate DOL Wage and Hour District Office listed at <http://www.dol.gov/whd/america2.htm> and to the EPA Region 4 Water Division/Grants and Infrastructure Section by calling 404-562-9345. Additional information on Davis-Bacon guidance is located on the EPA website at: <https://www.epa.gov/grants/davis-bacon-and-related-acts-dbra>.

2. Section 8.15 of the Agreement is deleted and replaced as follows:

8.15. CIVIL RIGHTS.

The Local Government shall comply with all Title VI requirements of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975 and Section 13 of the Federal Water Pollution Control Act Amendments of 1972 which prohibit activities that are intentionally discriminatory and/or have a discriminatory effect based on race, color, national origin (including limited English proficiency), age, disability, or sex.

3. Unless repayment is further deferred by amendment of the Agreement, Semiannual Loan Payments as set forth in Section 10.05 shall be received by the Department beginning on October 15, 2027 and semiannually thereafter on April 15 and October 15 of each year until all amounts due under the Agreement have been fully paid.
