B. Development Services Department staff submits the following factual information which is relevant to this abandonment request:

1. The property is located within the Captiva Cove Phase III project and runs north/south within the property located at 740 SW 11 Street.
2. The Applicant's request is necessary to allow for the construction of the proposed development.

C. Review Standards

Section 155.2431 D. 1. & 2. states that an application for vacation or abandonment of a public right-of-way or easement shall be approved only on a finding that all of the following standards are met:

1. The right-of-way or easement is not now, or in the foreseeable future, of any benefit to the city or its inhabitants; and

2. Vacation or abandonment of the right-of-way or easement is consistent with the comprehensive plan.

D. Staff Analysis

All of the service providers that have submitted comments have stated they have no objection to this request. There are three service providers that have not yet submitted comments, which include: the FP&L, AT&T, and Teco. These comments must be received prior to it being presented to the City Commission.

With the exception of providing all of the service provider comments, the abandonment of this easement meets the abandonment standards of Section 155.2431 D.1. & 2, and therefore staff recommends approval of this request with the condition that the remainder of the service provider comments be provided prior to City Commission.
