Upon completion of all Work contemplated hereunder or termination of this Contract, Recipient shall promptly provide City's Contract Administrator copies of all of the above Work documents upon written request. Recipient may not disclose, use, license or sell any Work developed, created or otherwise originated hereunder to any third party whatsoever. In no event shall economic hardship or lack of funds be considered an event of Force Majeure. Additionally, should funds not be utilized, and services or programs not provided within the specific required time period in this Contract due to circumstances outside the control of Recipient, including but not limited to, a Force Majeure event, City is under no obligation to amend or extend this Contract to provide the approved funding past the expiration of the performance period set forth in this Contract. Recipient must follow all Federal, State, County, and City safety guidelines, including all CDC safety guidelines in effect during the term of the program, including but not limited to social distancing, and personal protection equipment. Inability to conduct the program and follow any and all required safety guidelines from the COVID-19 crisis or other similar emergency, or failure to follow such requirements, including but not limited to, social distancing, shall constitute grounds for immediate cancellation of this Agreement unilaterally by the City upon written notice, which may be provided via registered or certified mail.

To the extent considered necessary by City, any sums due Recipient hereunder may be retained by City until all of City's claims for indemnification

hereunder have been settled or otherwise resolved, and any amount withheld shall not be subject to payment or interest by City.

B. Recipient acknowledges and agrees that City would not enter into this Contract without this indemnification of City by Recipient. The parties agree that one percent (1%) of the total compensation paid to Recipient hereunder shall constitute specific consideration to Recipient for the indemnification provided under this Paragraph and these provisions shall survive expiration or early termination of this Contract.

13. *Sovereign Immunity.* Nothing in this Contract shall be construed to affect in any way the rights, privileges and immunities of the City and its agents as set forth in §768.28, Florida Statutes. Nothing herein shall be construed as consent from either party to be sued by third parties.

14. *Non-Assignability and Subcontracting.*

A. *Non-Assignability.* This Contract is not assignable and Recipient agrees it shall not assign or otherwise transfer any of its interests, rights or obligations hereunder, in whole or in part, to any other person or entity without City's prior written consent which must be sought in writing not less than fifteen (15) days prior to the date of any proposed assignment. Any attempt by Recipient to assign or transfer any of its rights or obligations hereunder without first obtaining City's written approval shall not be binding on City and, at City's sole discretion, may result in City's immediate termination of this Contract whereby City shall be released of any of its obligations hereunder. In addition, this Contract and the rights and obligations herein shall not be assignable or transferable by any process or proceeding in court, or by judgment, execution, proceedings in insolvency, bankruptcy or receivership. In the event of Recipient's insolvency or bankruptcy, City may, at its option, terminate and cancel this Contract without any notice of any kind whatsoever, in which event all rights of Recipient hereunder shall immediately cease and terminate.

B. *Subcontracting.* Prior to subcontracting for Work to be performed hereunder, Recipient shall be required to obtain the written approval of the City's Contract Administrator. If the City's Contract Administrator, in his/her sole discretion, objects to the proposed subcontractor, Recipient shall be prohibited from allowing that subcontractor to provide any Work hereunder. Although Recipient may subcontract Work in accordance with this Paragraph, Recipient remains responsible for any and all contractual obligations hereunder and shall also be responsible to ensure that none of its proposed subcontractors are listed on the *Convicted Vendors List* in accordance with the provisions of Paragraph 26 below.

15. *Performance Under Law.* Recipient, in performance of its duties under this Contract, agrees to comply with all applicable local, state and/or federal laws and ordinances including, but not limited to, standards of licensing, conduct of business and those relating to criminal activity.

16. *Audit and Inspection Records.* Recipient shall permit authorized representatives of the City to inspect and audit all data and records of the Recipient, if any, related to the Work being funded by this Contract until three (3) years after City's final payment under this Contract. Recipient agrees that such inspections and audits may include City's authorized representatives auditing Recipient's financial affairs at any time with no advance notice by City.

Recipient further agrees to include in all subcontracts hereunder a provision to the effect that the subcontractor agrees that City or any of its duly authorized representatives shall, until **three (3) years after City's final payment to Recipient**, have access to and the right to examine any books, documents, papers and records of such subcontractor attendant to any subcontracted Work provided hereunder.

18. *Independent Contractor.* Recipient shall be deemed an independent contractor for all purposes, and employees of Recipient and all its contractors, subcontractors and the employees thereof, shall not in any manner be deemed to be employees of the City. As such, the employees of Recipient, its contractors or subcontractors, shall not be subject to any withholding for tax, social security or other purposes by City, nor shall such contractor, subcontractor or employee be entitled to sick leave, pension benefits, vacation, medical benefits, life insurance, workers or unemployment compensation or the like from City. Furthermore; nothing in this Contract shall be deemed to constitute or create a joint venture, partnership, pooling arrangement or other form of business entity between Recipient and City.

19. *Mutual cooperation.* Recipient recognizes its performance of Work hereunder is essential to the provision of vital public services and the accomplishment of the stated goals and mission of City. Therefore, Recipient shall be responsible to maintain a cooperative and good faith attitude in all relations with City and the public and shall actively foster a public image of mutual benefit to both parties. Recipient shall not make any statements or take any actions detrimental to this effort.

20. *Public Records.*

A. The City of Pompano Beach is a public agency subject to Chapter 119, Florida Statutes. The Recipient shall comply with Florida's Public Records Law, as amended. Specifically, the Recipient shall:

1. Keep and maintain public records required by the City in order to perform the service.

2. Upon request from the City's custodian of public records, provide the City with a copy of requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the Contract if Recipient does not transfer the records to the City.

4. Upon completion of this Contract, transfer, at no cost to City, all public records in its possession or keep and maintain public records required by the City as required hereunder. If Recipient transfers all public records to the City upon completion of this Contract, Recipient shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Recipient keeps and maintains public records upon completion of this Contract, Recipient shall meet all applicable requirements for retaining public records. Upon request from the City's custodian of public records, all records stored electronically by Recipient must be provided to the City in a format that is compatible with the information technology systems of the City.

B. No Waiver by Delay. The City shall have the right to institute such actions or proceedings as it may deem desirable for effectuating the purposes of this Contract provided that any delay by City in asserting its rights hereunder shall not operate as a waiver of such rights or limit them in any way. The intent of this provision is that City shall not be constrained to exercise such remedy at a time when it may still hope to otherwise resolve the problems created by the default or risk nor shall any waiver made by City with respect to any specific default by Recipient be considered a waiver of City's rights with respect to that default or any other default by Recipient.

C. Either party may request changes to modify certain provisions of this Contract; however, unless otherwise provided for herein, any such changes must be contained in a written amendment executed by both parties with the same formality of this Contract.

25. *No Third-Party Beneficiaries.* Recipient and City agree that this Contract and other contracts pertaining to Recipient's performance hereunder shall not create any obligation on Recipient or City's part to third parties. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Failure to comply will lead to termination of this Contract, or if a subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than twenty (20) calendar days after the date of termination. If this contract is terminated for a violation of the statute by the Recipient, the Recipient may not be awarded a public contract for a period of one (1) year after the date of termination.

C. Submitting a false certification or being placed on a list created pursuant to Section 215.473, Florida Statutes relating to scrutinized active business operations in Iran after Recipient has submitted a certification, shall be deemed a material breach of contract. The City shall provide notice, in writing, to Recipient of the City's determination concerning the false certification. ### **Program Description**

The BSO's Pompano Beach Summer Camp (PBSC) is a summer program that builds trust between law enforcement and the communities they serve. PBSC will run 40 hours per week for five weeks at Crystal Lakes Middle School in Pompano Beach, FL. Sixteen BSO School Resource Officers (SRO) assigned to the Pompano Beach District will operate the program. SRO's serve as role models and mentors, changing lives in many cases while at the same time improving public safety. Police youth programs promote the prevention of juvenile crime by building relationships through engagement in nontraditional law enforcement activities.

The SROs curriculum will reinforce topics such as gang resistance, anti-bullying, youth violence, problem solving techniques, basic first aid/CPR, team building, positive social skills, and self-esteem. Youth will participate in community service projects, sportsmanship and academic enrichment activities, internet safety, mentoring, and swim/water safety. PBSC includes a family component which is life-skills based and enhances social bonding to reduce isolation within the family. The program will serve incoming 6<sup>th</sup> graders and rising 7<sup>th</sup> and 8<sup>th</sup> graders attending Pompano Beach middle schools. PBSC offers a safe environment free of charge for at-risk youth who would otherwise be left unsupervised. This is a crucial time for law enforcement to build relationships and trust with students.

The deputies strongly feel the program is imperative to the student's social and emotional needs as well as provide physical outlets. Without an operational and supervised program, the students are at far greater risk for getting into trouble or other setbacks. The SROs are committed to their mission of providing for students needs and helping families.

### **Utilization of Funds**

Requested funds will be used to pay for field trip expenses such as admissions, student lunches and snacks. Funds will also pay for camp supplies which includes arts and crafts materials, books, pencils and miscellaneous supplies such as sports equipment, board games, and t-shirts with the BSO logo to help identify students on field trips. The salaries and benefits for the SRO's assigned to the program will be paid by the Broward Sheriff's Office.

### **Coordination with Other Agencies**

BSO's partnership with the Broward County School Board provides for a safe and secure location for the Summer PBSC program at no cost, allowing BSO to provide the program free of charge to parents. Crystal Lakes Middle School is part of the Summer Food Service program that provides free, nutritious meals to children in low income areas.

The SRO's believe students would benefit from the experience of giving back to the community and is therefore collaborating with area businesses and neighborhood organizations on to incorporate a volunteerism component to the program. As part of the mentoring component, BSO brings in guest speakers who address the importance of education, work ethics, safety, and necessary skills to get a job. BSO Fire Rescue provides instruction on Fire Safety and Prevention, basic First Aid, and CPR. BSO Explorers are middle and high school students who engage with PBSC participants as mentors and role models.

Students will participate in an evidence-based curriculum while experiencing educational, cultural, and pro-social recreational activities they would not have been afforded without the PBSC program.

### PBSC Objectives

- Strengthen decision making and problem solving skills;
- Teach anger recognition, management, and conflict resolution techniques;
- Provide a positive impact on youth and their families;
