To whom it may concern,

This is my recommendation for the renaming of NW 25th St to Woods St. I first meet the Woods when I enrolled my daughter in Kiddie Land some 20 years ago. They truly set the bar high when it comes to child care and early education so much so that my granddaughter is now enrolled with Kiddie Land. Over the years I have witnessed the Woods take care of the community countless times by giving to those in need. It's families like the Woods that make a community a great one. It gives others something to look up too and inspired to be.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Barby', with a long, sweeping horizontal line extending to the right.

To whom it may concern,

Please consider The Woods for this great street name change from 25th street to RA Woods street, I've known The Woods all of my life due to my attending Kiddy Land Pre-School as a child and my son attending now. They are a great asset to this community serving over 30 years at Kiddy Land pre-school, Mrs. Woods loves to see others strive for the best. Mrs. Woods is patient, caring, compassionate and diligent in all she does. I'd hope you see this change as a great reminder for years to come in the City of Pompano Beach. That current and future residents never forget the Woods and Kiddy Land pre-school.

Thank you

Greg Harden

To whom it may concern:

This is a letter of recommendation to affirm my vote for the renaming of NE 25th street to be changed to woods street. It says a lot about your character when your peers nominate you for something special.

I've known the woods for a number of years through church affiliations and employment

My reasons are it would be very commendable for a citizen, educator, and advocate for children's rights and education ^{one} who continues to give them a great start in life in the City of Pompano Beach.

We should be thankful for the plan, time and effort that has been put into action... developing a program here at this location Kiddy Land Pre school. It would be nice and deserving to the Woods legacy

Sincerely
Cassandra Davis

I strongly recommend that you rename 25th St after R. A. Woods. I have known the Woods for 23 years and I have seen them work well with students, families, co-workers, clients and the public. They possess strong interpersonal, time management, team work and service oriented skills. The Woods has many qualities that make them a great candidate.

Mrs. Woods is a delightful woman who has cared for the community children over the past 30 years. I have 3 children who attended Kiddy Land Preschool since 1989. In 2000 I became an employee for Kiddy Land Preschool working under Mrs. Abbie and as of today I'm still employed here. She is well devoted to her families and staff and a great asset to the community. Thank You

To: The City of Pompano

I would like to highly recommend that 25th St. be renamed as R&A Woods St. I have personally known the Woods for many years and they have always shown themselves to be focused, hardworking and dedicated people in the community. For years the Woods has always maintained a positive rapport and character with me and others in the community.

For the past 30 years Mrs. Woods have provided a caring, loving and nurturing school for the students and families in the community. There are parents who attended Kiddy Land Preschool as a student in the past, are now bringing their children to the school. Mrs. Woods provides excellent opportunities for the students to learn and prepare them for the secondary schools and job opportunities for the community, the Woods are also landlord and providing homes for families.

Sincerely,

LaShaunda J. Moses
