RE: TAC II SCADA System
Sole Source Status
Made in the USA

Dear Mr. Hyer:

Please consider this document official confirmation that Data Flow Systems, Inc. (DFS), of Melbourne, Florida, is the sole source provider for the TAC II SCADA System and associated Remote Terminal Units (RTUs), Telemetry Control Units (TCUs), Hyper SCADA Server (HSS), HT3 SCADA Software, and training services currently utilized by the City of Pompano Beach.

DFS is responsible for the design, manufacture, service and repair of the entire TAC II SCADA System component product line. There are no other manufacturers, dealers, distributors or service organizations that offer the TAC II Telemetry System in the State of Florida.

The TAC II SCADA System component product line is made in the USA, and complies with the Buy American requirements set forth in the American Recovery and Reinvestment Act.

Should you have any questions or require additional information, please do not hesitate to contact me at 321-259-5009.

Sincerely,
Data Flow Systems, Inc.

David Walker
Director of Sales
