

Proclamation

Whereas: Water is essential to all life and is the foundation of our community's well-being, economy, and environment; and

Whereas: population growth and increasing water demand have made freshwater a finite and valuable resource; and

Whereas: clean, safe, and sustainable water resources and supplies are more critical than ever for the long-term resilience of Pompano Beach and all of Florida; and

Whereas: the City of Pompano Beach actively engages residents and businesses in conservation efforts through education, incentives, and water-saving practices; and

Whereas: The City of Pompano Beach and the State of Florida have designated April, one of Florida's driest months, as Water Conservation Month to educate residents on best practices to help save Florida's precious water resources; and

Whereas: every individual, business, and organization play a vital role in water conservation, promoting a resilient economy and a thriving community.

Now, therefore, I, Rex Hardin, Mayor, on behalf of the City Commission of Pompano Beach, Florida, do hereby proclaim April, 2025, as

Water Conservation Month

in the City of Pompano Beach and urge all residents, businesses, and institutions to adopt water-saving practices, educate others, and support initiatives that protect our most precious resource for future generations during this the 27th year of Water Conservation Month.

Done this 8th day of April 2025

REX HARDIN
MAYOR
