| FIRM NAME	RANK
Bee Free LLC	2
Circuit Transit	1
Slidr, LLC	3

Provide the reasons/justification for this ranking below:

COMMENTS CIRCUIT HAD BEST COMBINATION OF COST, TECHNOLOGY &
EXPERIENCE. FREE BEE HAD EXCELLENT TECHNOLOGY & VAST
LOCAL EXPERIENCE, BUT WAS TOO COSTLY.
SLIDR - HAS LESS EXPERIENCE AND A SMALLER LOCAL PRESENCE
WHICH COULD IMPACT HOW QUICKLY THEY COULD ADJUST FOR SURGES.

FINAL ORDINAL RANKING
RFP- P-29-20 Micro-Transit Transportation Services

FIRM NAME	RANK
Bee Free LLC	2
Circuit Transit	1
Slidr, LLC	3

Provide the reasons/justification for this ranking below:

COMMENTS___ All short listed vendors above are qualified to provide the service. Circuit and Be Free (Freebee) have similar   approach. Circuit costs were lower prior to and after factoring in a minimum $20,000 credit annually   y to the City, whether they are able to raise advertising revenues or not.   Circuit is very qualified to provide the service and has bid approx. $180k/per year below Be Free (Freebee).   Circuit's proposal was very comprehensive, addressing their APP, marketing and outreach plan. They operate in Ft. Lauderdale, Hollywood, WPB etc.

FINAL ORDINAL RANKING
RFP- P-29-20 Micro-Transit Transportation Services

FIRM NAME	RANK
Bee Free LLC	2
Circuit Transit	(1)
Slidr, LLC	3

Provide the reasons/justification for this ranking below:

COMMENTS Bee free showed a slight edge over others based upon experience in the industry. They were not the least expensive but this was due to paying a premium for drivers including health insurance. All firms were great and all 3 could operate the system, but, cost is a major factor in addition to experience.
