To whom it may concern:

Im writing this email to voice my concern for a proposed Transitional Community Residence at Connor Estates.

Me and my family are completely against it. We are concerned for our kids and the rest of the families that live within 500 feet of said residence. This type of housing has no place in a residential area. It devalues homes around it and puts neighbors in constant high alert. I'm submitting my letters of denial for this business to exist on our community.

Thank you for your attention on this matter.  
Sincerely,

Ivan Landron  
Resident at Connor Estates
