Sandra,

Please see the email below from Summers Fire for the flow test schedule. It looks like we may not have the flow data after your submittal date and it seems we are at the discretion of the fire department.

Thanks,

Jonathan Samuel

We have received confirmation for the flow test from the City of Pompano Beach Fire Department.

The flow test will be performed Wednesday/Thursday January 26th/27th. We will be able to provide the data to you by the close of business on Friday January 28th assuming all goes as planned with the city.

Thank you,

Garret,

Good morning, just following up if you have any updates on the flow test and if you got a scheduled date.

Thank you,
