Dear City Clerk Alfred,

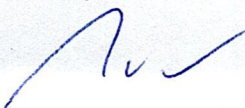

After much thought and consideration, I have decided to step down from my position on the **Golf Advisory Board**, effective 4/9/2025.

It has been a privilege to serve on the board for the past ten years. I've greatly enjoyed working alongside such a dedicated group of individuals, all committed to enhancing our wonderful municipal golf course. I am proud of the progress we've made together during my time on the board.

At this point, I believe it's time for a fresh perspective and new energy. I trust there are many capable and passionate individuals who would welcome the opportunity to serve and contribute their ideas to the board's ongoing work, notably the existing alternates.

Thank you for the opportunity to be part of this meaningful effort. I remain a strong supporter of the board's mission and look forward to seeing its continued success.

Sincerely,
