**MEMORANDUM NO. 22-19**

**DATE:** April 26, 2022

**TO:** Gregory P. Harrison, City Manager

**VIA:** A. Randolph Brown, Utilities Director

**FROM:** Kerone Grant, Business Operations Analyst

**SUBJECT:** State Revolving Fund (SRF) Loan Application for Non-Sewer C Drainage Improvement Area (WW06247)

---

We are in the process of applying for State Revolving Fund (SRF) for Non-Sewer C Drainage Improvement Area. This area is a commercial/industrial park area, with no residential homes within the project boundaries. The proposed sanitary sewer improvements will provide a centralized wastewater collection system for this area currently served by septic tanks. The reduction and elimination of septic tanks is one of the ways the City is proactively improving the health of the local environment and waterways.

**Recommendation:**

To have City officials approve and authorize the Utilities Department to apply for the State of Florida Department of Environmental Protection Revolving Loan. The total cost is \$2,882,108 and will be financed over the maximum SRF 20-year term.

Thank you.
