

# Petition to Oppose Proposed Conveyor Car Wash at 1401 SW 26th Avenue, Pompano Beach, FL

We, the undersigned residents and community members of Pompano Beach, oppose the proposed conveyor car wash at 1401 SW 26th Avenue.

We believe this project would create unnecessary traffic, noise, and disruption to the community and is not needed, as Pompano Beach is already well served by existing car wash facilities.

We respectfully urge the Zoning Board of Appeals to deny the application for a special exception at this location.
