Good Afternoon Deputy Noble and Deputy Russo,

KEITH is assisting the Developer in obtaining BSO signoff for the last round of DRC Comments for PZ23-12000016 (Blanche Ely Estates). We are writing you today to ask if you can take another look at the latest CPTED Plan (attached) and provide a response email on if your pending DRC comments are satisfactorily addressed or if there are any further concerns.

Our office plans to resubmit plans to the DRC folders in Eplan, however, we would like to make sure you do not have any major comments on our revised plan/narrative. Our office has improved upon the original submitted CPTED Plan by incorporating your specific notes outlined in your previous DRC Comments and initialed by the Developer.

Please feel free to contact us if you would like to discuss in further detail. If you may please provide your response at your earliest convenience that would be greatly appreciated. Thank you for your coordination!
