To the Mayor and City Commission of Pompano Beach:

On behalf of the Greater Pompano Beach Chamber of Commerce, I am pleased to offer our strong support for the proposed Jellyfish Museum project and respectfully encourage the City Commission to move this initiative forward.

The Jellyfish Museum represents an innovative addition to Pompano Beach's vibrant community. This project brings a fresh, interactive attraction that complements our city's reputation as a destination known for its beautiful waterfront, lively entertainment options, and family-friendly atmosphere. Its marine theme will not only enhance our tourism offerings but also create a unique indoor experience that appeals to visitors of all ages, regardless of weather conditions.

We believe the museum will contribute significantly to the economic vitality of the Fishing Village and surrounding businesses by attracting more visitors, extending their stays, and increasing engagement within the area. Moreover, its educational component, emphasizing marine life, environmental stewardship, and sustainability which offers important enrichment opportunities for local schools and youth programs.

As eco-tourism continues to grow, projects like the Jellyfish Museum strengthen Pompano Beach's positioning as a forward-thinking, progressive community that values education, innovation, and accessibility.

The Chamber enthusiastically supports this vision and urges the City Commission to approve the zoning changes necessary to bring this project to life. We are confident it will serve as a lasting asset to our community and contribute to Pompano Beach's ongoing success.

Sincerely,

Evencia Janvier
