Re: Resolution Request

I am requesting a resolution between the City of Pompano Beach and the Assistance to Firefighters Grant (AFG). We were notified that our application to the 2018 (AFG) through FEMA was awarded. The grant application includes a request to replace outdated self-contained breathing apparatus (SCBA) and equipment for our rapid intervention team (RIT) units. As a side note, we have already budgeted to replace the SCBA units, and this grant will help to significantly offset the total cost for the replacement. Please feel free to contact me if you have any further questions.
