Narragansett Town Council
Council President & Council Members
25 Fifth Ave.
Narragansett, RI 02882

Dear Council President and Members,

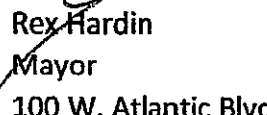

I am reaching out to gauge your City's interest in establishing a sister city partnership with the City of Pompano Beach, Florida. I believe our cities share similar interests such as beautiful coastal beaches, boating, tourism, fishing, and a university of higher education.

As we may look to the future of this alliance, we envision a great awareness and appreciation of each other's culture and its people. We hope our partnership will blossom and grow for years in a number of ways; such as tourism, education (student exchanges), the arts, culture, trade and many other exchanges from our two communities.

While the partnership must be formally established between our two municipalities, its ongoing strength will be supported by the Greater Pompano Beach Sister Cities Organization. Tony Phillips, President of GPBSC, who is a former resident of Rhode Island, will be designated to oversee the development of this initiative. He may be reached at tpnjp4@gmail.com or 401-439-5238.

On behalf of myself and the residents of Pompano Beach, we look forward to working with you and your representative to establish a Sister City or Partnership relationship between our two communities. Thank you and looking forward to hearing from you.

Sincerely,

Rex Hardin
Mayor
