Please prepare a Resolution to execute an assignment and assumption agreement between the City of Pompano Beach ("City") and the Pompano Beach Community Redevelopment Agency ("CRA"). This Resolution is necessary to allow the City to assign a contract to the CRA to manage and oversee proposed improvements on Pier Street to be carried out by MBR Construction.

You may recall that the procurement was inadvertently issued on behalf of the City rather than the CRA and instead of doing an interlocal agreement between the City and the CRA, you recommended an assignment of the contract.

Staff intends to add this Resolution to the City Commission meeting scheduled for December 14, 2021. Your assistance is appreciated.
