	<u>Criteria</u>	<u>Point Range</u>	<u>Score</u>
1	Company Qualifications and Capabilities (Factors including but not limited to those identified below) <ul style="list-style-type: none"> Fuel supply delivery capability from Port Everglades Delivery capabilities, such as transportation fleet and personnel 	0-35	<u>10</u>
2	Emergency Supply Capabilities (Factors including but not limited to those identified below) <ul style="list-style-type: none"> Control of storage facilities in Tri-County area, and surrounding Counties Contingency plan of action Availability of additional emergency storage outside the vicinity of the Tri-County area and surrounding Counties Availability of trucks and drivers from outside the Tri-County and surrounding counties Percentage of supply contracted with fuel terminals versus spot purchases based on supplied volume report 	0-30	<u>0</u>
3	References (Factors including but not limited to the following) <ul style="list-style-type: none"> Years servicing each referenced customer Number of locations that the Proposer services for the referenced customer and their capacity 	0-10	<u>6</u>
4	Cost	0-25	<u>20</u>
	Total	0-100	<u>36</u>

COMMENTS:

Does not own Transport trucks or have drivers on staff - out of state
office + management team - No off-site storage - Hedging pricing
pricing not in-line w/ RFP - Alternate pricing was provided. -
Does not currently have a supply contract in FL Port.

RJM.

EVALUATION CRITERIA

RFP E-03-22 Unleaded Gasoline & Diesel Fuel for Southeast Florida Governmental Purchasing Cooperative Group

Proposer Global

	<u>Criteria</u>	<u>Point Range</u>	<u>Score</u>
1	Company Qualifications and Capabilities (Factors including but not limited to those identified below) <ul style="list-style-type: none"> Fuel supply delivery capability from Port Everglades Delivery capabilities, such as transportation fleet and personnel 	0-35	<u>20</u>
2	Emergency Supply Capabilities (Factors including but not limited to those identified below) <ul style="list-style-type: none"> Control of storage facilities in Tri-County area, and surrounding Counties Contingency plan of action Availability of additional emergency storage outside the vicinity of the Tri-County area and surrounding Counties Availability of trucks and drivers from outside the Tri-County and surrounding counties Percentage of supply contracted with fuel terminals versus spot purchases based on supplied volume report 	0-30	<u>0</u>
3	References (Factors including but not limited to the following) <ul style="list-style-type: none"> Years servicing each referenced customer Number of locations that the Proposer services for the referenced customer and their capacity 	0-10	<u>2</u>
4	Cost	0-25	<u>10</u>
	Total	0-100	<u>32</u>

COMMENTS:

All infrastructure is in the NE of the US - No local inventory, trucks, stable, No contracts currently in place in FL - Second to highest cost of all bidders.

EVALUATION CRITERIA

RFP E-03-22 Unleaded Gasoline & Diesel Fuel for Southeast Florida Governmental Purchasing Cooperative Group

Proposer Mansfield

	<u>Criteria</u>	<u>Point Range</u>	<u>Score</u>
1	Company Qualifications and Capabilities (Factors including but not limited to those identified below) <ul style="list-style-type: none"> Fuel supply delivery capability from Port Everglades Delivery capabilities, such as transportation fleet and personnel 	0-35	<u>28</u>
2	Emergency Supply Capabilities (Factors including but not limited to those identified below) <ul style="list-style-type: none"> Control of storage facilities in Tri-County area, and surrounding Counties Contingency plan of action Availability of additional emergency storage outside the vicinity of the Tri-County area and surrounding Counties Availability of trucks and drivers from outside the Tri-County and surrounding counties Percentage of supply contracted with fuel terminals versus spot purchases based on supplied volume report 	0-30	<u>20</u>
3	References (Factors including but not limited to the following) <ul style="list-style-type: none"> Years servicing each referenced customer Number of locations that the Proposer services for the referenced customer and their capacity 	0-10	<u>8</u>
4	Cost	0-25	<u>0</u>
	Total	0-100	<u>56</u>

COMMENTS:

Contracted Truck + Driver - Highest total cost - Infrastructure
appears not to be owned/operated by Mansfield - Local office +
management Team.

Proposer Palmdale

	<u>Criteria</u>	<u>Point Range</u>	<u>Score</u>
1	Company Qualifications and Capabilities (Factors including but not limited to those identified below) <ul style="list-style-type: none"> Fuel supply delivery capability from Port Everglades Delivery capabilities, such as transportation fleet and personnel 	0-35	<u>30</u>
2	Emergency Supply Capabilities (Factors including but not limited to those identified below) <ul style="list-style-type: none"> Control of storage facilities in Tri-County area, and surrounding Counties Contingency plan of action Availability of additional emergency storage outside the vicinity of the Tri-County area and surrounding Counties Availability of trucks and drivers from outside the Tri-County and surrounding counties Percentage of supply contracted with fuel terminals versus spot purchases based on supplied volume report 	0-30	<u>28</u>
3	References (Factors including but not limited to the following) <ul style="list-style-type: none"> Years servicing each referenced customer Number of locations that the Proposer services for the referenced customer and their capacity 	0-10	<u>8</u>
4	Cost	0-25	<u>18</u>
	Total	0-100	<u>84</u>

COMMENTS:

Multiple Contracts to provide fuel - multiple ports - 1 million gallons
of fuel off site - Local management - Own the delivery
trucks + have driver staff - 3rd lowest total cost

4	Cost	0-25	<u>16</u>
	Total	0-100	<u>85</u>

COMMENTS:

On site storage + Dispensing - 3 million gallons - Good number of
contracts - Owns + Transport capacity - higher tank wagon
delivery cost - Middle total cost

4	Cost	0-25	<u>25</u>
	Total	0-100	<u>63</u>

COMMENTS:

Lowest total cost - Owns the transport fleet - However very small fleet + dispersed around the state - offices in FL, however not local to S. FL. - Very minimal (300kgallons) ohh site storage - not in local Area -
