MEMORANDUM

July 11, 2016

TO: City Commission

THRU: Dennis Beach, City Manager
Greg Harrison, Assistant City Manager
John Sfiropoulos, City Engineer

FROM: Horacio Danovich, CIP Manager

Issue

Staff is seeking City Commission approval of a Resolution to award Work Authorization No. 3 (see Exhibit "A") to Keith & Associates, Inc. (KA) in accordance with a continuing services contract for professional services approved via Ordinance 2016-19 in the amount of \$57,895.00.

Recommendation

Staff recommends Approval.

Background

Staff is seeking City Commission approval to execute Work Authorization No. 3 in the sum of \$57,895.00. This Resolution is necessary to make revisions to the medians on MLK Boulevard between NW 27th and NW 31st Avenues resulting from Broward County Traffic Engineering (BCTED) comments whereas the area has limited access to vehicular traffic seeking to enter existing facilities. KA will prepare exhibits/plans geared to assist the contractor and to help the City to modify existing permits with various government agencies.

In addition, KA will conduct additional Subsurface Utility Designation in support of a Traffic Signal planned for the intersection of MLK Boulevard and NW 27th Avenue (see Location Map). The efforts will supplement work by Calvin, Giordano & Associates, Inc. (traffic engineer).

Staff recommends approval.
