Re: Preserve America Communities Application

Dear Advisory Council,

On behalf of the Public Art Committee for the City of Pompano Beach, I am writing in support of the Preserve America Communities application submitted by the Historic Preservation Committee for the City of Pompano Beach. The Public Art Committee works to create tourism and generate economic growth; as well as, creating art that represents the history of Pompano Beach and preserving the stories of the community. As the Chairperson for the Public Art Committee, I have a special interest in the preservation of our community and its historic assets and we are proud to extend our endorsement for this designation.

Thank you for your time and consideration.
