To Whom It May Concern,

On behalf of Broward Children's Center, I am writing to express our strong support for the proposed Rising Tide Car Wash location in the City of Pompano Beach.

Broward Children's Center has long been committed to serving children and young adults with special needs, and we deeply understand the critical importance of inclusive employment opportunities for individuals with autism and related disabilities. Rising Tide Car Wash has established itself as a leader in this space, combining outstanding car wash services with a mission-driven commitment to hiring and empowering individuals with autism.

We believe that bringing Rising Tide Car Wash to Pompano Beach will have a significant positive impact on the community. Not only will this new location create valuable job opportunities for local residents—especially individuals with autism who often face barriers to employment—but it will also foster greater autism awareness and acceptance throughout the area. By demonstrating the capabilities and talents of neurodiverse individuals in a visible and successful way, Rising Tide helps build more inclusive and understanding communities.

We strongly encourage the City of Pompano Beach to support this important initiative. Rising Tide Car Wash's expansion will be a vital step forward in promoting inclusion, creating opportunities, and enriching the social fabric of Pompano Beach. Please feel free to contact us if we can provide additional insight into the importance of this project for the local autism community.

Sincerely,

David Perez
