- Schedule, attend and conduct bi-weekly construction progress meetings at Municipality location for the duration of the construction project (assumed effort at 15 meetings @ 3 hours per meeting); prepare and distribute meeting minutes.
- Receive and coordinate through the EOR, interpretations and clarifications of the Contract Documents (RFI responses, plan revisions, and Work (Change) Directives prepared by the EOR). In connection therewith, assist in the review and processing of any work change directives or change orders requested by the City.
- Receive, review and coordinate the review and processing of shop drawings, samples and other data which the Contractor is required to submit. Effort is limited to one review and one resubmittal per item.
- Perform periodic / daily observations of Field / Resident Project Representative services for compliance with plans and specifications; provide copies of observation reports to the EOR and City on a weekly basis. Make interim inspections for substantial and final completion(s) to determine, in general, if the work has been completed in conformance with the intent of the Contract Documents.
- Coordinate and conduct close-out inspections with City, Contractor, EOR and permitting agencies; prepare and distribute punch-list(s).
- Perform reviews of as-builts supplied by the Contractor.
- Assist in obtaining information from the Contractor to process close-out packages. Prepare and submit permit close-out documents and certification(s).
- Review, coordinate required revisions, and approve and payment application requests; processing of applications by City.

BASIS OF PROPOSAL

- Any opinion of the construction cost prepared by Calvin, Giordano & Associates, Inc. represents its judgment as a design professional and is supplied for the general guidance of the CLIENT since Calvin, Giordano & Associates, Inc. has no control over the cost of labor and material, or over competitive bidding or market conditions. Calvin, Giordano & Associates, Inc. does not guarantee the accuracy of such opinions as compared to contractor bids or actual cost to the CLIENT.
- Any outside engineering services, studies, or laboratory testing not specifically mentioned in the Scope of Services will be the responsibility of the CLIENT. All municipal, permit, and agency fees as well as Title Certificates will be paid by the CLIENT.
- Basic services outlined within this proposal shall be considered complete when the project plans are submitted to the regulatory agencies for Certification.
- Calvin, Giordano & Associates, Inc. is performing the consultant services set forth in this Agreement strictly as a professional consultant to CLIENT. Nothing contained in this Agreement shall create any contractual relationship between Calvin, Giordano & Associates, Inc. and any contractor or subcontractor performing construction activities on the project, or any of CLIENT's other professional consultants.
- Calvin, Giordano & Associates, Inc. shall not be responsible for the contractor's schedules or failure to carry out the construction in accordance with the construction documents. Calvin, Giordano & Associates, Inc. shall not have control over or charge of acts or omissions of the contractor, subcontractors, or their agents or employees, or of any other persons performing portions of the construction.
- Calvin, Giordano & Associates, Inc. will require that all consultants carry proper insurance, including professional liability insurance, if appropriate.
- Permit construction certification will include one partial and one final inspection.

ADDITIONAL FEES

The following services are NOT included in this proposal and will be considered Additional Services, which will be addressed in a separate contractual agreement. The services include but are not limited to:

- Architectural, structural (i.e., retaining walls, bridges, and docks), mechanical (i.e., fire pumps), fire protection, geotechnical and testing,

environmental assessment, power, gas, telephone, cable television, site lighting services.

- Calculations for needed fire flow for site demands, based on building type use and size, if required.
- Calculations of off-site flood stages.
- Off-site engineering and negotiations for off-site easements, if required (other than as specified in the Scope of Services).
- Permit application or negotiation with permitting authorities other than those specifically listed herein.
- Preparation of construction contract documents, other than drawings and technical specifications (e.g., bid schedule, project manual);
- Professional land surveying not included in the scope of services (i.e., buried utility investigation, easement research, condominium documents, project stake-out and as-built drawings).
- Professional services required due to conditions different from those itemized under the Scope of Services or due to events beyond the control of Calvin, Giordano & Associates, Inc.
- Professional services required, due to changes in the site plan initiated by the CLIENT, their representatives or other consultants (e.g., architects, landscape architects, etc.) after either design or preparation of the construction drawings has commenced.
- Special shop drawing annotation and modification to expedite shop drawing approval process.
- Updated boundary survey, site evaluation or closing assistance work, unless specified above.

REIMBURSABLE EXPENSES

Calvin, Giordano & Associates, Inc. and its consultants will be reimbursed for the printing of drawings and specifications, deliveries, Federal Express services, required travel time and travel expenses, long distance telephone calls, fax transmittals, postage, fees paid for securing approval of authorities having jurisdiction over the project, renderings, models and mock-ups required by CLIENT, as required. Reimbursable expenses and sub-consultant invoices will be billed directly to the CLIENT at a multiplier of 1.25.
