Letter of Intent

Chick-fil-A, Inc is proposing a building addition to the existing 3,876 SF restaurant located at 2250 North Federal Highway, Pompano Beach, FL 33062, associated with folio number 4843-30-45-0010. The addition will be 340 SF for the expansion of the kitchen that will be composed of a walk-in freezer, walking cooler and an entrance area. In addition to the building expansion there will some sidewalk modification to add a ramp to help connect the new entrance area to the dumpster for easier access.

The proposed and improved Chick-fil-A will provide dual lane at the beginning and end of the drive-through allowing for better accommodation of drive-through orders and improved traffic circulation.

Bowman Consulting is looking forward to working with City staff for this project. If you have any questions or require additional information, please do not hesitate to contact us at 954.314.8468 or jbaez@bowman.com.
