DATE: July 20, 2018  
TO: City Commission  
FROM: Public Art Committee  
SUBJECT: 9-11 Memorial

---

At the meeting of the Public Art Committee held on July 19, 2018, the Committee recommended approval of Cherie Saleeby for the 9-11 Memorial that will be located at Founders Park. Due to Ms. Saleeby's prior works of art, design sketch and letter of interest, the Committee believe that she will create a beautiful, thoughtful memorial to honor the lives lost on that tragic day.

The Committee unanimously approved the recommendation of Cherie Saleeby as the artist and think this memorial will be a great addition to the City.
