**E. Approval of Minutes**

A **MOTION** was made by Ms. Harmon to accept the minutes from January 31, 2024. Motion was seconded by Ms. Botscheller. Motion passed unanimously.

**F. Interview of Shortlisted Artists**

**1. Hunter Brown (Innovative Sculpture Design)**

The Committee met with Hunter Brown via Zoom. Hunter advised he is interested in the exposure and willing to keep the expense within the proposed budget. He advised the sculpture would be copywritten, UV protected, annual maintenance would be between \$1,000 - \$2,000, all work done in-house.

**2. Matthew Hoffman (You are Beautiful)**

The Committee met with Matthew Hoffman via Zoom. Matthew advised all work would be completed in-house, UV protected, made of recycled material, safe to climb.

**3. Emily Nicolosci (The Next Earth Project)**

The Committee met with Emily Nicolosci via Zoom. Emily advised her sculpture is futuristic, high quality art compatible with SFL weather, vibrant colors which lighting colors can be changed and agrees the powders are high maintenance and uncertain if can be power washed, and can provide samples of her work.

The Committee agreed that Hunter's submission has a good polish, the ability to light up is cool and his sculpture is being provided at a huge discount. Matthew's sculpture may

come with liabilities due to the seams and Be Powerful. The Committee was concerned the Emily may not be fluent in the proposed sculpture that she submitted.

A **MOTION** was made by Mr. Miller to accept Hunter Brown's proposal sculpture #2 as the 1<sup>st</sup> option and add an additional \$10,000 Public Arts funds. Matthew Hoffman was accepted as the 2<sup>nd</sup> option. Motion was seconded by Ms. Harmon. Motion passed unanimously.
