2.01. WARRANTIES, REPRESENTATIONS AND COVENANTS.

The Local Government warrants, represents and covenants that:

(1) The Local Government has full power and authority to enter into this Agreement and to comply with the provisions hereof.

(2) The Local Government currently is not the subject of bankruptcy, insolvency, or reorganization proceedings and is not in default of, or otherwise subject to, any agreement or any law, administrative regulation, judgment, decree, note, resolution, charter or ordinance which would currently restrain or enjoin it from entering into, or complying with, this Agreement.

(3) There is no material action, suit, proceeding, inquiry, or investigation, at law or in equity, before any court or public body, pending or, to the best of the Local Government's knowledge, threatened, which seeks to restrain or enjoin the Local Government from entering into or complying with this Agreement.

(4) The Local Government shall undertake the Project on its own responsibility, to the extent permitted by law.

(5) To the extent permitted by law, the Local Government shall release and hold harmless the State, its officers, members, and employees from any claim arising in connection with the Local Government's actions or omissions in its Design Activities financed by this Loan.

(6) All Local Government representations to the Department, pursuant to the Loan Application and Agreement, were true and accurate as of the date such representations were made. The financial information delivered by the Local Government to the Department was current and correct as of the date such information was delivered. The Local Government shall comply with Chapter 62-503, Florida Administrative Code, and all applicable State and Federal laws, rules, and regulations which are identified in the Loan Application or Agreement. To the extent that any assurance, representation, or covenant requires a future action, the Local Government shall take such action to comply with this agreement.

(7) The Local Government shall maintain records using generally accepted accounting principles established by the Governmental Accounting Standards Board. As part of its bookkeeping system, the Local Government shall keep accounts of the Utility System separate from all other accounts and it shall keep accurate records of all revenues, expenses, and expenditures relating to the Utility System, and of the Pledged Revenues, Loan disbursement receipts, and Loan Debt Service Account.

(8) In the event the anticipated Pledged Revenues are shown by the Local Government's annual budget to be insufficient to make the Semiannual Loan Payments for such Fiscal Year when due, the Local Government shall include in such budget other legally available non-ad valorem funds which will be sufficient, together with the Pledged Revenues, to make the Semiannual Loan Payments. Such other legally available non-ad valorem funds shall be budgeted in the regular annual governmental budget and designated for the purpose provided by this Subsection, and the Local Government shall collect such funds for application as provided herein. The Local Government shall notify the Department immediately in writing of any such budgeting of other legally available non-ad valorem funds. Nothing in this covenant shall be construed as creating a pledge, lien, or charge upon any such other legally available non-ad valorem funds; requiring the Local Government to levy or appropriate ad valorem tax revenues; or preventing the Local Government from pledging to the payment of any bonds or other obligations all or any part of such other legally available non-ad valorem funds.

(9) Pursuant to Section 216.347 of the Florida Statutes, the Local Government shall not use the Loan proceeds for the purpose of lobbying the Florida Legislature, the Judicial Branch, or a State agency.

(10) The Local Government agrees to complete the Design Activities in accordance with the schedule set forth in Section 10.07. Delays incident to strikes, riots, acts of God, and other events beyond the reasonable control of the Local Government are excepted. However, there shall be no resulting diminution or delay in the Semiannual Loan Payment or the Monthly Loan Deposit.

(11) The Local Government covenants that this Agreement is entered into for the purpose of completing Design Activities in order to construct facilities which will, in all events, serve a public purpose.

2.02. LEGAL AUTHORIZATION.

Upon signing this Agreement, the Local Government's legal counsel hereby expresses the opinion, subject to laws affecting the rights of creditors generally, that:

(1) This Agreement has been duly authorized by the Local Government and shall constitute a valid and legal obligation of the Local Government enforceable in accordance with its terms upon execution by both parties; and

(2) This Agreement identifies the revenues pledged for repayment of the Loan, and the pledge is valid and enforceable.

2.03. AUDIT AND MONITORING REQUIREMENTS.

The Local Government agrees to the following audit and monitoring requirements.

(1) The financial assistance authorized pursuant to this Loan Agreement consists of the following:

Original Agreement	Wastewater Treatment and Stormwater Management TF	37.077	Wastewater Treatment Facility Construction	\$875,000	140131

(2) Audits.

(a) In the event that the Local Government expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such Local Government, the

State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

(b) In connection with the audit requirements addressed in the preceding paragraph (a); the Local Government shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. (c) If the Local Government expends less than \$750,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. The Local Government shall inform the Department of findings and recommendations pertaining to the State Revolving Fund in audits conducted by the Local Government in which the \$750,000 threshold has not been met. In the event that the Local Government expends less than \$750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the Local Government's resources obtained from other than State entities).

(d) The Local Government is hereby advised that the Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a Local Government should access the Florida Single Audit Act website located at <https://apps.fldfs.com/fsaa> for assistance.

The Local Government will comply with this duty and ensure that any subcontracts issued under this Agreement will impose this requirement, in writing, on its subcontractors.

ARTICLE III - LOAN REPAYMENT ACCOUNT

3.01. LOAN DEBT SERVICE ACCOUNT.

The Local Government shall establish a Loan Debt Service Account with a Depository and begin making Monthly Loan Deposits no later than the date set forth in Section 10.07 of this Agreement.

Beginning six months prior to each Semiannual Loan Payment, the Local Government shall make six Monthly Loan Deposits. The first five deposits each shall be at least equal to one-sixth of the Semiannual Loan Payment. The sixth Monthly Loan Deposit shall be at least equal to the amount required to make the total on deposit in the Loan Debt Service Account equal to the Semiannual Loan Payment amount, taking into consideration investment earnings credited to the account pursuant to Section 3.02.

Any month in which the Local Government fails to make a required Monthly Loan Deposit, the Local Government's chief financial officer shall notify the Department of such failure. In addition, the Local Government agrees to budget, by amendment if necessary, payment to the Department from other legally available funds all sums becoming due before the same become delinquent. This requirement shall not be construed to give superiority to the Department's claim on any revenues over prior claims of general creditors of the Local Government, nor shall it be construed to give the Department the power to require the Local Government to levy and collect any revenues other than Pledged Revenues.

3.02. INVESTMENT OF LOAN DEBT SERVICE ACCOUNT MONEY.

Moneys on deposit in the Loan Debt Service Account shall be invested pursuant to the laws of the State of Florida. Such moneys may be pooled for investment purposes. The maturity or redemption date of investments shall be not later than the date upon which such moneys may be needed to make Semiannual Loan Payments. The investment earnings shall be credited to the Loan Debt Service Account and applied toward the Monthly Loan Deposit requirements.

3.03. LOAN DEBT SERVICE ACCOUNT WITHDRAWALS.

The withdrawal of moneys from the Loan Debt Service Account shall be for the sole purpose of making the Semiannual Loan Payment or for discharging the Local Government's obligations pursuant to Section 8.01.

3.04. ASSETS HELD IN TRUST.

The assets in all accounts created under this Loan Agreement shall be held in trust for the purposes provided herein and used only for the purposes and in the manner prescribed in this Agreement; and, pending such use, said assets shall be subject to a lien and charge in favor of the Department.

ARTICLE IV - PROJECT INFORMATION

4.01. PROJECT CHANGES.

After the Department's environmental review has been completed, the Local Government shall promptly notify the Department, in writing, of any Project change that would require a modification to the environmental information document.

4.02. CLOSE-OUT.

The Department shall conduct a final inspection of the Design Activities records. Following the inspection, deadlines for submitting additional disbursement requests, if any, shall be established, along with deadlines for uncompleted Loan requirements, if any. Deadlines shall be incorporated into the Loan Agreement by amendment. After the Department establishes the final costs to be financed by the Loan, the itemized costs will be adjusted by amendment. The Loan principal shall be reduced by any excess over the amount required to pay all approved costs. As a result of such adjustment, the Semiannual Loan Payment shall be reduced accordingly, as addressed in Section 10.05.

4.03. LOAN DISBURSEMENTS.

Disbursements shall be made only by the State Chief Financial Officer and only when the requests for such disbursements are accompanied by a Department certification that such withdrawals are proper expenditures. Disbursements shall be made directly to the Local Government for reimbursement of the incurred design costs and related services. Disbursements for materials, labor, or services shall be made upon receipt of the following:

(1) A completed disbursement request form signed by the Authorized Representative. Such requests must be accompanied by sufficiently itemized summaries of the materials, labor, or services to identify the nature of the work performed; the cost or charges for such work; and the person providing the service or performing the work; and proof of payment.

(2) A certification signed by the Authorized Representative as to the current estimated costs of the Project; that the materials, labor, or services represented by the invoice have been satisfactorily purchased, performed, or received.

(3) Such other certificates or documents by engineers, attorneys, accountants, contractors, or suppliers as may reasonably be required by the Department.

Requests by the Local Government for disbursements of the design funds shall be made using the Department's disbursement request form. The Department reserves the right to retain 25% of the funds until the information necessary for the Department to prepare the Environmental Information Document as described in Rule 62-503.751, Florida Administrative Code, has been provided.

ARTICLE V - RATES AND USE OF THE UTILITY SYSTEM

5.01. RATE COVERAGE.

The Local Government shall maintain rates and charges for the services furnished by the Utility System which will be sufficient to provide, in each Fiscal Year, Pledged Revenues equal to or exceeding 1.15 times the sum of the Semiannual Loan Payments due in such Fiscal Year. In addition, the Local Government shall satisfy the coverage requirements of all Senior Revenue Debt and Parity Debt obligations.

5.02. NO FREE SERVICE.

The Local Government shall not permit connections to, or furnish any services afforded by, the Utility System without making a charge based on the Local Government's uniform schedule of rates, fees, and charges.

5.03. RESERVED.

5.04. NO COMPETING SERVICE.

The Local Government shall not allow any person to provide any services which would compete with the Utility System so as to adversely affect Gross Revenues.

5.05. MAINTENANCE OF THE UTILITY SYSTEM.

The Local Government shall operate and maintain the Utility System in a proper, sound, and economical manner and shall make all necessary repairs, renewals, and replacements.

5.06. ADDITIONS AND MODIFICATIONS.

The Local Government may make any additions, modifications, or improvements to the Utility System which it deems desirable and which do not materially reduce the operational integrity of any part of the Utility System. All such renewals, replacements, additions, modifications, and improvements shall become part of the Utility System.

5.07. COLLECTION OF REVENUES.

The Local Government shall use its best efforts to collect all rates, fees, and other charges due to it. The Local Government shall establish liens on premises served by the Utility System

for the amount of all delinquent rates, fees, and other charges where such action is permitted by law.

ARTICLE VI - DEFAULTS AND REMEDIES

6.01. EVENTS OF DEFAULT.

Upon the occurrence of any of the following events (the Events of Default) all obligations on the part of Department to make any further disbursements hereunder shall, if Department elects, terminate. The Department may, at its option, exercise any of its remedies set forth in this Agreement, but Department may make any disbursements or parts of disbursements after the happening of any Event of Default without thereby waiving the right to exercise such remedies and without becoming liable to make any further disbursement:

- (1) Failure to make any Monthly Loan Deposit or to make any installment of the Semiannual Loan Payment when it is due and such failure shall continue for a period of 15 days.
- (2) Except as provided in Subsection 6.01(1), failure to comply with the provisions of this Agreement, failure in the performance or observance of any of the covenants or actions required by this Agreement or the Suspension of this Agreement by the Department pursuant to Section 8.11 below, and such failure shall continue for a period of 30 days after written notice thereof to the Local Government by the Department.
- (3) Any warranty, representation or other statement by, or on behalf of, the Local Government contained in this Agreement or in any information furnished in compliance with, or in reference to, this Agreement, which is false or misleading, or if Local Government shall fail to keep, observe or perform any of the terms, covenants, representations or warranties contained in this Agreement, the Note, or any other document given in connection with the Loan (provided, that with respect to non-monetary defaults, Department shall give written notice to Local Government, which shall have 30 days to cure any such default), or is unable or unwilling to meet its obligations thereunder.
- (4) An order or decree entered, with the acquiescence of the Local Government, appointing a receiver of any part of the Utility System or Gross Revenues thereof; or if such order or decree, having been entered without the consent or acquiescence of the Local Government, shall not be vacated, or discharged or stayed on appeal within 60 days after the entry thereof.
- (5) Any proceeding instituted, with the acquiescence of the Local Government, for the purpose of effecting a composition between the Local Government and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any federal or state statute now or hereafter enacted, if the claims of such creditors are payable from Gross Revenues of the Utility System.
- (6) Any bankruptcy, insolvency or other similar proceeding instituted by, or against, the Local Government under federal or state bankruptcy or insolvency law now or hereafter in effect and, if instituted against the Local Government, is not dismissed within 60 days after filing.

(7) Any charge is brought alleging violations of any criminal law in the implementation of the Project or the administration of the proceeds from this Loan against one or more officials of the Local Government by a State or Federal law enforcement authority, which charges are not withdrawn or dismissed within 60 days following the filing thereof.

(8) Failure of the Local Government to give immediate written notice of its knowledge of a potential default or an event of default, hereunder, to the Department and such failure shall continue for a period of 30 days.

6.02. REMEDIES.

All rights, remedies, and powers conferred in this Agreement and the transaction documents are cumulative and are not exclusive of any other rights or remedies, and they shall be in addition to every other right, power, and remedy that Department may have, whether specifically granted in this Agreement or any other transaction document, or existing at law, in equity, or by statute. Any and all such rights and remedies may be exercised from time to time and as often and in such order as Department may deem expedient. Upon any of the Events of Default and subject to the rights of others having prior liens on the Pledged Revenues, the Department may enforce its rights by, *inter alia*, any of the following remedies:

(1) By mandamus or other proceeding at law or in equity, cause to establish rates and collect fees and charges for use of the Utility System, and to require the Local Government to fulfill this Agreement.

(2) By action or suit in equity, require the Local Government to account for all moneys received from the Department or from the ownership of the Utility System and to account for the receipt, use, application, or disposition of the Pledged Revenues.

(3) By action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Department.

(4) By applying to a court of competent jurisdiction, cause to appoint a receiver to manage the Utility System, establish and collect fees and charges, and apply the revenues to the reduction of the obligations under this Agreement.

(5) By certifying to the Auditor General and the Chief Financial Officer delinquency on loan repayments, the Department may intercept the delinquent amount plus a penalty from any unobligated funds due to the Local Government under any revenue or tax sharing fund established by the State, except as otherwise provided by the State Constitution. The Department may impose a penalty in an amount not to exceed an interest rate of 18 percent per annum on the amount due in addition to charging the cost to handle and process the debt. Penalty interest shall accrue on any amount due and payable beginning on the 30th day following the date upon which payment is due.

(6) By notifying financial market credit rating agencies and potential creditors.

(7) By suing for payment of amounts due, or becoming due, with interest on overdue payments together with all costs of collection, including attorneys' fees.

(8) By accelerating the repayment schedule or increasing the Financing Rate on the unpaid principal of the Loan to as much as 1.667 times the Financing Rate.

6.03. DELAY AND WAIVER.

No course of dealing between Department and Local Government, or any failure or delay on the part of Department in exercising any rights or remedies hereunder, shall operate as a waiver of any rights or remedies of Department, and no single or partial exercise of any rights or remedies hereunder shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder. No delay or omission by the Department to exercise any right or power accruing upon Events of Default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised as often as may be deemed expedient. No waiver or any default under this Agreement shall extend to or affect any subsequent Events of Default, whether of the same or different provision of this Agreement, or shall impair consequent rights or remedies.

ARTICLE VII - THE PLEDGED REVENUES

7.01. SUPERIORITY OF THE PLEDGE TO THE DEPARTMENT.

From and after the effective date of this Agreement, the Department shall have a lien on the Pledged Revenues, which along with any other Department State Revolving Fund liens on the Pledged Revenues, of equal priority, will be prior and superior to any other lien, pledge, or assignment with the following exception. All obligations of the Local Government under this Agreement shall be junior, inferior, and subordinate in all respects in right of payment and security to the Senior Revenue Debt defined in Section 1.01 of this Agreement and to any additional senior obligations issued with the Department's consent pursuant to Section 7.02. The Department may release its lien on such Pledged Revenues in favor of the Department if the Department makes a determination in its sole discretion, based upon facts deemed sufficient by the Department, that the remaining Pledged Revenues will, in each Fiscal Year, equal or exceed 1.15 times the debt service coming due in each Fiscal Year under the terms of this Agreement.

7.02. ADDITIONAL DEBT OBLIGATIONS.

The Local Government may issue additional debt obligations on a parity with, or senior to, the lien of the Department on the Pledged Revenues provided the Department's written consent is obtained. Such consent may be granted if the Local Government demonstrates at the time of such issuance that the Pledged Revenues, which may take into account reasonable projections of growth of the Utility System and revenue increases, plus revenues to be pledged to the additional proposed debt obligations will, during the period of time Semiannual Loan Payments are to be made under this Agreement, equal or exceed 1.15 times the annual combined debt service requirements of this Agreement and the obligations proposed to be issued by the Local Government and will satisfy the coverage requirements of all other debt obligations secured by the Pledged Revenues.

ARTICLE VIII - GENERAL PROVISIONS

8.01. DISCHARGE OF OBLIGATIONS.

All payments required to be made under this Agreement shall be cumulative and any deficiencies in any Fiscal Year shall be added to the payments due in the succeeding year and all years thereafter until fully paid. Payments shall continue to be secured by this Agreement until all of the payments required shall be fully paid to the Department. If, at any time, the Local Government shall have paid, or shall have made provision for the timely payment of, the entire principal amount of the Loan, and as applicable, Loan Service Fee, interest, and Grant Allocation Assessment charges, the pledge of, and lien on, the Pledged Revenues to the Department shall be no longer in effect. Deposit of sufficient cash, securities, or investments, authorized by law, from time to time, may be made to effect defeasance of this Loan. However, the deposit shall be made in irrevocable trust with a banking institution or trust company for the sole benefit of the Department. There shall be no penalty imposed by the Department for early retirement of this Loan.

8.02. PROJECT RECORDS AND STATEMENTS.

Books, records, reports, engineering documents, contract documents, and papers shall be available to the authorized representatives of the Department for inspection at any reasonable time after the Local Government has received a disbursement and until five years after the Final Amendment date.

8.03. ACCESS TO PROJECT SITE.

The Local Government shall provide access to offices and other sites where Design Activities or Project work (if financed by this Loan) is ongoing, or has been performed, to authorized representatives of the Department at any reasonable time. The Local Government shall cause its engineers and contractors to provide copies of relevant records and statements for inspection.

8.04. ASSIGNMENT OF RIGHTS UNDER AGREEMENT.

The Department may assign any part of its rights under this Agreement after notification to the Local Government. The Local Government shall not assign rights created by this Agreement without the written consent of the Department.

8.05. AMENDMENT OF AGREEMENT.

This Agreement may be amended, except that no amendment shall be permitted which is inconsistent with statutes, rules, regulations, executive orders, or written agreements between the Department and the U.S. Environmental Protection Agency (EPA). A Final Amendment establishing the final costs financed by this Loan and the actual Loan Service Fee shall be completed after the Department's final inspection of relevant documents and records.

8.06. ABANDONMENT, TERMINATION OR VOLUNTARY CANCELLATION.

Failure of the Local Government to actively prosecute or avail itself of this Loan (including e.g. described in para 1 and 2 below) shall constitute its abrogation and abandonment of the rights hereunder, and the Department may then, upon written notification to the Local Government, suspend or terminate this Agreement.

(1) Failure of the Local Government to draw Loan proceeds within eighteen months after the effective date of this Agreement, or by the date set in Section 10.07 to establish the Loan Debt Service Account, whichever date occurs first.

(2) Failure of the Local Government, after the initial Loan draw, to draw any funds under the Loan Agreement for twenty-four months, without approved justification or demonstrable progress on the Project.

Upon a determination of abandonment by the Department, the Loan will be suspended, and the Department will implement administrative close out procedures (in lieu of those in Section 4.02) and provide written notification of Final Unilateral Amendment to the Local Government.

In the event that following the execution of this Agreement, the Local Government decides not to proceed with this Loan, this Agreement can be cancelled by the Local Government, without penalty, if no funds have been disbursed.

8.07. SEVERABILITY CLAUSE.

If any provision of this Agreement shall be held invalid or unenforceable, the remaining provisions shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

8.08. USE AS MATCHING FUNDS.

The EPA has provided a class deviation from the provisions of 40 CFR 35.3125(b)(1) to allow these second-tier funds to be used as local matching requirements for most EPA grant funded treatment works projects, including special Appropriations Act projects.

8.09. PUBLIC RECORDS ACCESS.

(1) The Local Government shall comply with Florida Public Records law under Chapter 119, F.S. Records made or received in conjunction with this Agreement are public records under Florida law, as defined in Section 119.011(12), F.S. The Local Government shall keep and maintain public records required by the Department to perform the services under this Agreement.

(2) This Agreement may be unilaterally canceled by the Department for refusal by the Local Government to either provide to the Department upon request, or to allow inspection and copying of all public records made or received by the Local Government in conjunction with this Agreement and subject to disclosure under Chapter 119, F.S., and Section 24(a), Article I, Florida Constitution.

(3) IF THE LOCAL GOVERNMENT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE LOCAL GOVERNMENT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT (850)245-2118, by email at public.services@dep.state.fl.us, or at the mailing address below:

8.10. SCRUTINIZED COMPANIES.

(1) The Local Government certifies that it and its subcontractors are not on the Scrutinized Companies that Boycott Israel List. Pursuant to Section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Local Government or its subcontractors are found to have submitted a false certification; or if the Local Government, or its subcontractors are placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

(2) If this Agreement is for more than one million dollars, the Local Government certifies that it and its subcontractors are also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in Section 287.135, F.S. Pursuant to Section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Local Government, its affiliates, or its subcontractors are found to have submitted a false certification; or if the Local Government, its affiliates, or its subcontractors are placed on the Scrutinized Companies that Boycott the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

(3) The Local Government agrees to observe the above requirements for applicable subcontracts entered into for the performance of work under this Agreement.

(4) As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

8.11. SUSPENSION.

The Department may suspend any or all of its obligations to Loan or provide financial accommodation to the Local Government under this Agreement in the following events, as determined by the Department:

- (1) The Local Government abandons or discontinues the Project before its completion,
- (2) The commencement, prosecution, or timely completion of the Project by the Local Government is rendered improbable or the Department has reasonable grounds to be insecure in Local Government's ability to perform, or
- (3) The implementation of the Project is determined to be illegal, or one or more officials of the Local Government in responsible charge of, or influence over, the Project is charged with violating any criminal law in the implementation of the Project or the administration of the proceeds from this Loan.

The Department shall notify the Local Government of any suspension by the Department of its obligations under this Agreement, which suspension shall continue until such time as the event or condition causing such suspension has ceased or been corrected, or the Department has re-instated the Agreement.

Local Government shall have no more than 30 days following notice of suspension hereunder to remove or correct the condition causing suspension. Failure to do so shall constitute a default under this Agreement.

Following suspension of disbursements under this Agreement, the Department may require reasonable assurance of future performance from Local Government prior to re-instating the Loan. Such reasonable assurance may include, but not be limited to, a payment mechanism using two party checks, escrow or obtaining a Performance Bond for the work remaining.

Following suspension, upon failure to cure, correct or provide reasonable assurance of future performance by Local Government, the Department may exercise any remedy available to it by this Agreement or otherwise and shall have no obligation to fund any remaining Loan balance under this Agreement.

8.12. CIVIL RIGHTS.

The Local Government shall comply with all Title VI requirements of the Civils Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Equal Employment Opportunity requirements (Executive Order 11246, as amended) which prohibit activities that are intentionally discriminatory and/or have a discriminatory effect based on race, color, national origin (including limited English proficiency), age, disability, or sex.

ARTICLE IX - RESERVED

ARTICLE X - DETAILS OF FINANCING

10.01. PRINCIPAL AMOUNT OF LOAN.

The principal amount of the Loan is \$886,000, which includes \$875,000 to be disbursed to the Local Government and \$11,000 of Capitalized Interest.

Capitalized Interest is not disbursed to the Local Government, but is amortized via periodic Loan repayments to the Department as if it were actually disbursed. Capitalized Interest is computed at the Financing Rate, or rates, set for the Loan. It accrues and is compounded annually from the time when disbursements are made until six months before the first Semiannual Loan Payment is due. Capitalized Interest is estimated prior to establishment of the schedule of actual disbursements.

10.02. LOAN SERVICE FEE.

The Loan Service Fee is estimated as \$17,500 for the Loan amount authorized to date. The fee represents two percent of the Loan amount excluding Capitalized Interest; that is, two percent of \$875,000. The Loan Service Fee is estimated at the time of execution of the loan agreement and shall be revised with any increase or decrease amendment. The Loan Service Fee is based on actual Project costs and assessed in the final Loan amendment. The Local Government shall pay the Loan Service Fee from the first available repayment(s) following the Final Amendment.

10.03. FINANCING RATE.

The Financing Rate on the unpaid principal of the Loan amount specified in Section 10.01 is 1.10 percent per annum. However, if this Agreement is not executed by the Local Government and returned to the Department before July 1, 2023, the Financing Rate may be adjusted. A new Financing Rate shall be established for any funds provided by amendment to this Agreement.

10.04. LOAN TERM.

The Loan term shall be 10 years.

10.05. REPAYMENT SCHEDULE.

Repayments shall be made semiannually (twice per year). The Semiannual Loan Payment shall be computed based upon the principal amount of the Loan amount plus the estimated Loan Service Fee and the principle of level debt service. The Semiannual Loan Payment amount may be adjusted, by amendment of this Agreement, based upon revised information. After the final disbursement of Loan proceeds, the Semiannual Loan Payment shall be based upon the actual Project costs, the actual Loan Service Fee and Loan Service Fee capitalized interest, if any, and actual dates and amounts of disbursements, taking into consideration any previous payments. Actual Project costs shall be established after the Department's inspection of the completed Project and associated records. The Department will deduct the Loan Service Fee and any associated interest from the first available repayments following the Final Amendment.

Each Semiannual Loan Payment shall be in the amount of \$47,829 until the payment amount is adjusted by amendment. The interest and Grant Allocation Assessment portions of each Semiannual Loan Payment shall be computed, using their respective rates, on the unpaid balance of the principal amount of the Loan, which includes Capitalized Interest. Interest (at the Financing Rate) also shall be computed on the estimated Loan Service Fee. The interest and

Grant Allocation Assessment on the unpaid balance shall be computed as of the due date of each Semiannual Loan Payment.

Unless repayment is deferred by an amendment to this Agreement, Semiannual Loan Payments shall be received by the Department beginning on March 15, 2026 and semiannually thereafter on September 15 and March 15 of each year until all amounts due hereunder have been fully paid. Funds transfer shall be made by electronic means.

The Semiannual Loan Payment amount is based on the total amount owed of \$903,500, which consists of the Loan principal and the estimated Loan Service Fee.

10.06. PROJECT COSTS.

The Local Government and the Department acknowledge that actual Project costs have not been determined as of the effective date of this Agreement. An adjustment may be made due to a reduction in the scope of work proposed for Loan funding as a result of the design process. Capitalized Interest will be recalculated based on actual dates and amounts of Loan disbursements. The final costs shall be established in the final amendment. Changes in costs may also occur as a result of the Local Government's audit or the Department's audit.

The Local Government agrees to the following estimates of the Project costs:

CATEGORY	PROJECT COSTS (\$)
Design Activities cost	875,000
Capitalized Interest	11,000
TOTAL (Loan Principal Amount)	886,000

10.07. SCHEDULE.

All Design Activities shall be completed no later than the date set forth below.

(1) Invoices submitted for work performed on or after August 31, 2022 may be eligible for reimbursement.

(2) Completion of all Design Activities for all Project facilities proposed for loan funding no later than September 15, 2025.

(3) Unless deferred by amendment, establish the Loan Debt Service Account and begin Monthly Loan Deposits no later than September 15, 2025.

(4) The first Semiannual Loan Payment in the amount of \$47,829 shall be due March 15, 2026.
