Subject: Approve purchases of quicklime as needed per the City of Tamarac Cooperative Invitation to Bid (ITB) 23-36B

Contract Need/Background

The Utilities Department orders quicklime as needed for water treatment. The City of Tamarac issued ITB 23-36B to establish contracts to furnish, deliver and discharge quicklime, as needed. The City of Tamarac issued this ITB as the lead agency for the Southeast Florida Governmental Purchasing Cooperative on behalf of participating governmental agencies. This ITB contains the combined estimated annual purchase requirements from all of the participating agencies. The City of Tamarac awarded the contract resulting from this ITB to Lhoist North America of Alabama, LLC. The contract is valid through October 31, 2026, with possible renewal periods, based on the unit prices bid.

Attached are copies of the memorandum from the Utilities Treatment Plant and the applicable pages of the contract documents from the City of Tamarac.

Funding

As-needed quicklime will be purchased from budgeted account 412-3320-533.52-05 / Utility Fund/Water Treatment Plant/Chemicals. The total estimated annual expenditure is \$983,290.00.

After a review of the City of Tamarac's ITB results with the Utilities Department, it is recommended that purchase orders be made to Lhoist North America of Alabama, LLC, for the purchase of water meter fittings and water line accessories as needed at the unit prices bid, based upon the City of Tamarac ITB 23-36B.
