CLEAN WATER STATE REVOLVING FUND

CONSTRUCTION LOAN AGREEMENT

SW062460

THIS AGREEMENT is executed by the FLORIDA WATER POLLUTION CONTROL FINANCING CORPORATION (the "Corporation") and the CITY OF POMPANO BEACH, FLORIDA (the "Local Borrower"), existing as a local governmental entity under the laws of the State of Florida. Collectively, the Department, the Corporation, and the Local Borrower shall be referred to as "Parties" or individually as "Party".

WHEREAS, pursuant to Sections 403.1835 and 403.1837, Florida Statutes (the "State Act"), the Corporation is authorized to make loans to finance or refinance the construction of wastewater pollution control facilities and stormwater management systems, the planning and design of which have been reviewed by the State of Florida Department of Environmental Protection (the "Department"); and

WHEREAS, in accordance with the provisions of the State Act and a Service Contract dated as of June 1, 2001 (as amended from time to time, the "Service Contract") between the Corporation and the Department, the Department has responsibility for the performance of various activities in connection with such loans; and

WHEREAS, the Local Borrower applied for the financing of the Project (as hereinafter defined), and the Corporation and the Department has determined that such Project meets all requirements for a loan and have agreed to make a loan to the Local Borrower as set forth in this Agreement (the "Loan"); and

WHEREAS, in accordance with the provisions of a Master Trust Indenture dated as of June 1, 2001 (as supplemented and amended from time to time, the "Indenture") between the Corporation and U.S. Bank Trust National Association, as trustee (together with any successor trustee, the "Trustee"), the Corporation is authorized to issue bonds (the "Bonds") from time to time to fund loans pursuant to the State Act and to refund bonds issued by the Corporation; and

WHEREAS, the Loan and all payments of principal and interest thereon, including prepayments, and all proceeds thereof, but excluding the Loan Service Fee (as such term is hereinafter defined), have been pledged and assigned to the Trustee under the Indenture as security for the payment of principal of, premium, if any, and interest on the Bonds; and

WHEREAS, pursuant to the provisions of the State Act, the Service Contract and the Indenture, and as provided herein, the Corporation and the Department will cooperate to assure continuing compliance with the various requirements and separate duties and responsibilities arising from the issuance of the Bonds and the loans made by the Corporation.

NOW, THEREFORE, in consideration of the Corporation loaning money to the Local Borrower, in the principal amount and pursuant to the covenants set forth below, it is agreed as follows:

ARTICLE II - WARRANTIES, REPRESENTATIONS AND COVENANTS

2.01. WARRANTIES, REPRESENTATIONS AND COVENANTS.

The Local Borrower warrants, represents and covenants that:

(1) The Local Borrower has full power and authority to enter into this Agreement and to comply with the provisions hereof.

(2) The Local Borrower currently is not the subject of bankruptcy, insolvency, or reorganization proceedings and is not in default of, or otherwise subject to, any agreement or any law, administrative regulation, judgment, decree, note, resolution, charter or ordinance which would currently restrain or enjoin it from entering into, or complying with, this Agreement.

(3) There is no material action, suit, proceeding, inquiry or investigation, at law or in equity, before any court or public body, pending or, to the best of the Local Borrower’s knowledge, threatened, which seeks to restrain or enjoin the Local Borrower from entering into or complying with this Agreement.

(4) All permits, real property interests, and approvals required as of the date of this Agreement have been obtained for construction and use of the Project. The Local Borrower knows of no reason why any future required permits or approvals are not obtainable.

(5) The Local Borrower shall undertake the Project on its own responsibility, to the extent permitted by law.

(6) To the extent permitted by law, the Local Borrower shall release and hold harmless the State, its agencies, the Corporation, and each of their respective officers, members, and

employees from any claim arising in connection with the Local Borrower's actions or omissions in its planning, engineering, administrative, and construction activities financed by this Loan or its operation of the Project.

(7) All Local Borrower representations to the Corporation and the Department, pursuant to the Loan Application and this Agreement, were and are true and accurate as of the date the Loan Application and this Agreement were each executed by the Local Borrower. The financial information delivered by the Local Borrower to the Department was current and correct as of the date such information was delivered. The Local Borrower shall comply with Chapter 62-503, Florida Administrative Code, and all applicable State and Federal laws, rules, and regulations which are identified in the Loan Application or this Agreement. To the extent that any assurance, representation, or covenant requires a future action, the Local Borrower shall take such action as to comply with this agreement.

(8) The Local Borrower shall maintain records using generally accepted governmental accounting principles established by the Governmental Accounting Standards Board. As part of its bookkeeping system, the Local Borrower shall keep accounts of the Utility System separate from all other accounts and it shall keep accurate records of all revenues, expenses, and expenditures relating to the Utility System, and of the Pledged Revenues, Loan disbursement receipts and Loan Debt Service Account.

(9) In the event the anticipated Pledged Revenues are shown by the Local Borrower's annual budget to be insufficient to make the Semiannual Loan Payments for such Fiscal Year when due, the Local Borrower shall include in such budget other legally available non-ad valorem funds which will be sufficient, together with the Pledged Revenues, to make the Semiannual Loan Payments. Such other legally available non-ad valorem funds shall be budgeted in the regular annual governmental budget and designated for the purpose provided by this Subsection, and the Local Borrower shall collect such funds for application as provided herein. The Local Borrower shall notify the Department immediately in writing of any such budgeting of other legally available non-ad valorem funds. Nothing in this covenant shall be construed as creating a pledge, lien, or charge upon any such other legally available non-ad valorem funds; requiring the Local Borrower to levy or appropriate ad valorem tax revenues; or preventing the Local Borrower from pledging to the payment of any bonds or other obligations all or any part of such other legally available non-ad valorem funds.

(10) Pursuant to Section 216.347 of the Florida Statutes, the Local Borrower shall not use the Loan proceeds for the purpose of lobbying the Florida Legislature, the Judicial Branch, or a State agency.

(11) The Local Borrower agrees to construct the Project in accordance with the Project schedule. Delays incident to strikes, riots, acts of God, and other events beyond the reasonable control of the Local Borrower are excepted. If for any reason construction is not completed as scheduled, there shall be no resulting diminution or delay in the Semiannual Loan Payment or the Monthly Loan Deposit.

(12) The Local Borrower covenants that this Agreement is entered into for the purpose of constructing, refunding, or refinancing the Project which will in all events serve a public

purpose. The Local Borrower covenants that it will, under all conditions, complete and operate the Project to fulfill the public need.

(13) The Local Borrower shall update the revenue generation system annually to assure that sufficient revenues are generated for debt service; operation and maintenance; replacement of equipment, accessories, and appurtenances necessary to maintain the system design capacity and performance during its design life; and to make the system financially self-sufficient.

(14) The Local Borrower shall take such actions, shall furnish and certify to such information and execute and deliver and cause to be executed and delivered such documents, certificates and opinions as the Corporation and/or the Department may reasonably require in connection with the Bonds, including, without limitation, any necessary continuing disclosure undertaking meeting the requirements of Securities and Exchange Commission Rule 15c2-12.

2.02. TAX WARRANTIES, REPRESENTATIONS AND COVENANTS.

The Local Borrower acknowledges that the Corporation may issue Tax-Exempt Bonds with which to fund the Loan to the Local Borrower and that the maintenance of the tax-exempt status of any such Tax-Exempt Bonds will depend, in part, on the Local Borrower's compliance with the provisions of this Agreement. Accordingly, the Local Borrower warrants, represents and covenants that:

(1) Notwithstanding any other provisions of this Agreement, including specifically Section 2.02(8), if the Local Borrower shall be notified by the Corporation or the Department as of any date that any payment is required to be made to the United States Treasury in respect of Tax-Exempt Bonds the proceeds of which were used to fund the Loan (hereafter, the "Applicable Tax-Exempt Bonds"), and such payment is due to the failure of the Local Borrower to comply with this Agreement, the Local Borrower shall pay to the Trustee (for deposit to the applicable Subaccount of the Rebate Account established by the Indenture) the amount specified in the notice by the Corporation or the Department.

(2) The Local Borrower is a "governmental person" (as defined in Treasury Regulations §1.141-1(b)) (a "Governmental Unit") and it owns and operates the Project.

(3) The Local Borrower will not take any action or omit to take any action, which action or omission will adversely affect the exclusion from gross income of the interest on the Applicable Tax-Exempt Bonds for federal income tax purposes or cause the interest on the Applicable Tax-Exempt Bonds, or any portion thereof, to become an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations under the Code, and in the event of such action or omission, promptly upon having such brought to its attention, it will take such reasonable actions based upon an opinion of any attorney or firm of attorneys of recognized standing and experience in the field of municipal bonds whose opinions are generally accepted by purchasers of municipal bonds and which attorney or firm of attorneys is acceptable to the Corporation ("Bond Counsel"), and in all cases at the sole expense of the Local Borrower, as may rescind or otherwise negate such action or omission. The Local Borrower will not directly or indirectly, use or permit the use of any proceeds of the Applicable Tax-Exempt Bonds or any other funds of the Local Borrower, or take or omit to take any action, that would cause the Applicable

Tax-Exempt Bonds to be or become “arbitrage bonds” within the meaning of Section 148(a) of the Code or to fail to meet any other applicable requirement of Sections 141, 148, 149 and 150 of the Code or cause the interest on the Applicable Tax-Exempt Bonds, or any portion thereof, to become an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations under the Code. To that end, the Local Borrower will comply with all requirements of Sections 141, 148, 149 and 150 of the Code to the extent such provisions apply to the Applicable Tax-Exempt Bonds. In the event that at any time the Corporation or the Department is of the opinion that it is necessary to restrict or limit the yield on the investment of any moneys held by the Local Borrower, the Corporation or the Department shall so instruct the Local Borrower in writing and the Local Borrower shall so restrict the yield.

(4) The Local Borrower (or any “related party”, as defined in Treasury Regulations §1.150-1(b)) is prohibited from purchasing and shall not purchase any Applicable Tax-Exempt Bonds other than purchases in the open market for the purpose of tendering them to the Trustee for purchase and retirement.

(5) The Local Borrower will take no action, or permit or suffer any action or event, which will cause any of the Applicable Tax-Exempt Bonds to be or become a “private activity bond” within the meaning of the Code. To that end, the Local Borrower will not permit more than 5% of the Project or portion thereof financed with Tax-Exempt Bonds to be used for a Private Business Use. The term “Private Business Use” means use directly or indirectly in a trade or business or any other activity carried on by any Private Person other than use as a member of, and on the same basis as, the general public. The term “Private Person” means any person other than a Governmental Unit. For this purpose, the United States or any agency or instrumentality thereof is not a Governmental Unit and is therefore a Private Person. For purposes of this paragraph (5), property is considered “used” by a Private Person if:

- (a) it is owned by, or leased, to such Private Person;
- (b) it is operated, managed or otherwise physically employed, utilized or consumed by such Private Person, other than operation or management pursuant to an agreement that meets the conditions described in paragraph (6) below;
- (c) capacity in or output service from such property is reserved or committed to such Private Person under a take-or-pay, output, incentive payment or similar contract or arrangement;
- (d) such property is used to provide service to (or such service is committed to or reserved for) such Private Person on a basis or terms that are different from the basis or terms on which such service is provided (or committed or reserved) to members of the public generally (except possibly for the amount of use and any corresponding rate adjustment);
- (e) such Private Person is a developer and a significant amount of the Project financed with proceeds of Tax-Exempt Bonds serves only a limited area substantially all of which is owned by such Private Person, or a limited group of developers, unless such improvement carries out an essential governmental function, such developer reasonably

expects to proceed with all reasonable speed to develop the improvement and property benefited by that improvement, and the improvement is in fact transferred to a Governmental Unit promptly after the property benefited by the improvement is developed; or

(f) substantial burdens and benefits of ownership of the Project financed with proceeds of Tax-Exempt Bonds are otherwise effectively transferred to such Private Person.

(6) Use of Bond-Financed Property.

(a) For purposes of this Agreement, the use by a Private Person of the Project financed with the proceeds of Tax-Exempt Bonds (the “Bond Financed Property”) pursuant to a Qualified Use Contract (as hereafter defined) shall not be treated as a Private Business Use by such Private Person of such Bond-Financed Property or of funds used to finance or refinance such Bond-Financed Property.

(b) An arrangement under which services are to be provided by a Private Person involving the use of all or any portion of, or any function of, the Bond-Financed Property (for example, management services for an entire facility or a specific department of a facility (“Use Contract”)) is a “Qualified Use Contract” if all of the following conditions are satisfied:

(i) the compensation for services provided pursuant to the Use Contract is reasonable;

(ii) none of the compensation for services provided pursuant to the Use Contract is based on net profits from operation of the Bond-Financed Property or any portion thereof;

(iii) the compensation provided in the Use Contract satisfies one of the following subparagraphs:

(A) At least 95% of the compensation for each annual period during the term of the Use Contract is based on a periodic fixed fee and the term of the Use Contract, including all renewal options, does not exceed the lesser of 80% of the reasonably expected useful life of the Bond-Financed Property and 15 years. For purposes of this subparagraph (b), a “periodic fixed fee” means a stated dollar amount for services rendered for a specified period of time that does not increase except for automatic increases pursuant to a specified, objective external standard that is not linked to the output or efficiency of the Bond-Financed Property (e.g., the Consumer Price Index) and a “renewal option” means a provision under which either party to the Use Contract has a legally enforceable right to renew the Use Contract; or

(B) At least 80% of the compensation for each annual period during the term of the Use Contract is based on a periodic fixed fee and the term of the Use Contract, including all renewal options, does not exceed the

lesser of 80% of the reasonably expected useful life of the Bond-Financed Property and 10 years; or

(C) At least 50% of the compensation for each annual period during the term of the Use Contract is based on a periodic fixed fee, the term of the Use Contract, including all renewal options, does not exceed 5 years, and the Use Contract is terminable by the Local Borrower on reasonable notice, without penalty or cause, at the end of the third year of the Use Contract term; or

(D) All of the compensation for services is based on a capitation fee or a combination of a capitation fee and a periodic fixed fee, the term of the Use Contract, including all renewal options, does not exceed 5 years, and the Use Contract is terminable by the Local Borrower on reasonable notice, without penalty or cause, at the end of the third year of the Use Contract term. A “capitation fee” means a fixed periodic amount for each person for whom the Service Provider assumes the responsibility to provide all needed services for a specified period so long as the quantity and type of service actually provided to covered persons varies substantially; or

(E) All of the compensation for services is based on a per-unit fee or a combination of a per-unit fee and a periodic fixed fee, the term of the Use Contract, including all renewal options, does not exceed 3 years and the Use Contract is terminable by the Local Borrower on reasonable notice, without penalty or cause, at the end of the second year of the Use Contract term. A “per-unit fee” means a fee based on a unit of service provided (e.g., a stated dollar amount for each specified procedure); or

(F) All of the compensation for services is based on a percentage of fees charged or a combination of a per-unit fee and a percentage of revenue or expense fee, the term of the Use Contract, including all renewal options, does not exceed 2 years and the Use Contract is terminable by the Local Borrower on reasonable notice, without penalty or cause, at the end of the first year of the Use Contract term. This subparagraph (F) applies only to (a) Use Contracts under which the Private Person primarily provides services to third parties, or (b) Use Contracts involving the Bond-Financed Property during an initial start-up period for which there have been insufficient operations to establish a reasonable estimate of the amount of the annual gross revenues (or gross expenses in the case of a Use Contract based on a percentage of gross expenses) (e.g., a Use Contract for general management services for the first year of operations), in which case, the compensation for services may be based on a percentage of gross revenues, adjusted gross revenues (i.e., gross revenues less allowances for bad debts and contractual and similar allowances) or expenses of the Bond-Financed Facilities, but not more than one.

For purposes of this paragraph (6)(b)(iii), a Use Contract is considered to contain termination penalties if the termination limits the Local Borrower's right to compete with the Private Person, requires the Local Borrower to purchase equipment, goods, or services from the Private Person, or requires the Local Borrower to pay liquidated damages for cancellation of the Use Contract. Another contract between the Private Person and the Local Borrower (for example, a loan or guarantee by the Private Person) is considered to create a contract termination penalty if that contract contains terms that are not customary or arm's-length that could operate to prevent the Local Borrower from terminating the Use Contract. A requirement that the Local Borrower reimburse the Private Person for ordinary and necessary expenses, or restrictions on the hiring by the Local Borrower of key personnel of the Private Person, are not treated as contract termination penalties;

(iv) The Private Person has no role or relationship with the Local Borrower, directly or indirectly, that, in effect, substantially limits the Local Borrower's ability to exercise its rights under the Use Contract, including cancellation rights. This requirement is satisfied if:

(A) The Private Person and its directors, officers, shareholders and employees possess in the aggregate, directly or indirectly, no more than 20 percent of the voting power of the governing body of the Local Borrower;

(B) No individual who is a member of the governing body of the Private Person and the Local Borrower is the chief executive officer of the Local Borrower or the Private Person or the chairperson of the governing body of the Local Borrower or the Private Person; and

(C) The Local Borrower and the Private Person are not "related parties" (within the meaning of Treasury Regulations §1.150-1(b)).

(c) The Local Borrower may treat a Use Contract that does not comply with one or more of the criteria of subparagraph (6)(b) as not resulting in Private Business Use of Bond-Financed Property if it delivers to the Corporation and the Department, at its expense, an opinion of Bond Counsel to the effect that to do so would not adversely affect the exclusion from gross income of interest on the Applicable Tax-Exempt Bonds or cause the interest on the Applicable Tax-Exempt Bonds, or any portion thereof, to become an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations under the Code.

(7) Notwithstanding any provision of this Section 2.02, if the Local Borrower provides, at the Local Borrower's expense, to the Corporation and the Department an opinion of Bond Counsel to the effect that any action required under this Section is no longer required, or to the effect that some further action is required, to maintain the exclusions from gross income of interest on the Applicable Tax-Exempt Bonds pursuant to Section 103(a) of the Code, the Local Borrower, the Corporation and the Department may rely conclusively on such opinion in complying with the provisions hereof, and the covenants hereunder shall be deemed to be modified to that extent.

(8) All tax warranties, representations, covenants and obligations of the Local Borrower contained in this Section 2.02 shall remain in effect and be binding upon the Local Borrower until all of the Applicable Tax-Exempt Bonds have been paid, notwithstanding any earlier termination of this Agreement or any provision for payment of principal of and premium, if any, and interest on the outstanding Applicable Tax-Exempt Bonds and release and discharge of the Indenture.

(9) Amounts deposited from time to time in the Loan Debt Service Account will be used to pay principal and interest within 13 months after the amounts are so deposited.

(10) The Local Borrower has not established and does not expect to establish or use any sinking fund, debt service fund, redemption fund, reserve or replacement fund, or similar fund, or any other fund to pay principal of, interest and any redemption premium on the Loan other than the Loan Debt Service Account. Except as set forth in the next sentence and except for money referred to in paragraph (9) above, no other money or investment property (including, without limitation, fixed income, equity and other investments) is or will be pledged as collateral or used for the payment of such principal and interest (or for the reimbursement of any others who may provide money to pay that principal and interest), or is or will be restricted, dedicated, encumbered, or set aside in any way as to afford the Corporation or holders of the Applicable Tax-Exempt Bonds reasonable assurance of the availability of such money or investment property to pay debt service on the Loan or the Applicable Tax-Exempt Bonds.

(11) Except as stated otherwise in this Agreement no portion of the Loan will be used:

(a) to pay principal of or interest on, refund, renew, roll over, retire, or replace any other obligations issued by or on behalf of the Corporation, the Local Borrower or any other Governmental Unit,

(b) to replace any proceeds of another issue of tax-exempt bonds that were not expended on the project for which such other issue was issued,

(c) to replace any money that was or will be used directly or indirectly to acquire investments,

(d) to make a loan to any other person or Governmental Unit,

(e) to pay any working capital expenditure other than expenditures identified in Treasury Regulations §1.148-6(d)(3)(ii)(A) and (B) (i.e., issuance costs of the Applicable Tax-Exempt Bonds, qualified administrative costs, reasonable charges for a qualified guarantee or for a qualified hedge, interest on the Loan for a period commencing on the issuance date of the Applicable Tax-Exempt Bonds and ending on the date that is the later of three years from that issuance date or one year after the date on which the Project was or will be placed in service, payments of amounts, if any, pursuant to paragraph (i), and costs, other than those already described, that do not exceed 5% of the sale proceeds of the Applicable Tax-Exempt Bonds and that are directly related to capital expenditures financed or deemed financed by the Applicable Tax-Exempt Bonds), or

(f) to reimburse any expenditures made prior to the issuance date of the Applicable Tax-Exempt Bonds except those that qualify as a reimbursement of prior capital expenditures, based upon an opinion of Bond Counsel, at the expense of the Local Borrower, delivered to the Department and the Corporation.

(12) The Local Borrower does not intend to sell or otherwise dispose of the Project or any portion thereof during the term of the Applicable Tax-Exempt Bonds except for dispositions of property in the normal course at the end of such property's useful life to the Local Borrower.

(13) None of the Semiannual Loan Payments shall be federally guaranteed within the meaning of Section 149(b) of the Code.

2.03. LEGAL AUTHORIZATION.

Upon signing this Agreement, the Local Borrower's legal counsel hereby expresses the opinion, subject to laws affecting the rights of creditors generally, that:

(1) This Agreement has been duly authorized by the Local Borrower and shall constitute a valid and legal obligation of the Local Borrower enforceable in accordance with its terms upon execution by both parties; and

(2) This Agreement identifies the revenues pledged for repayment of the Loan, and the pledge is valid and enforceable.

2.04. AUDIT AND MONITORING REQUIREMENTS.

The Local Borrower agrees to the following audit and monitoring requirements.

(1) The financial assistance authorized pursuant to this Loan Agreement consists of the following:

State Resources Awarded to the Local Borrower Pursuant to this Agreement Consist of the Following Resources Subject to Section 215.97, F.S.:					
State Program Number	Funding Source	CSFA Number	CSFA Title or Fund Source Description	Funding Amount	State Appropriation Category
Original Agreement	Wastewater Treatment and Stormwater Management TF	37.077	Wastewater Treatment Facility Construction	\$1,840,250	140131

(2) Audits.

(a) In the event that the Local Borrower expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such Local Borrower, the Local Borrower must have a State single audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of

Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. In determining the state financial assistance expended in its fiscal year, the Local Borrower shall consider all sources of state financial assistance, including state financial assistance received from the Department, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

(b) In connection with the audit requirements addressed in the preceding paragraph (a); the Local Borrower shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

(c) If the Local Borrower expends less than \$750,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. The Local Borrower shall inform the Department of findings and recommendations pertaining to the State Revolving Fund in audits conducted by the Local Borrower in which the \$750,000 threshold has not been met. In the event that the Local Borrower expends less than \$750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the Local Borrower's resources obtained from other than State entities).

(d) The Local Borrower is hereby advised that the Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a Local Borrower should access the Florida Single Audit Act website located at <https://apps.fldfs.com/fsaa> for assistance.

- (4) Record Retention.

The Local Borrower shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five years from the date of the Final Amendment, and shall allow the Department, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The Local Borrower shall ensure that working papers are made available to the Department, or its designee, Chief Financial Officer, or Auditor General upon request for a period of five years from the date of the Final Amendment, unless extended in writing by the Department.

The Local Borrower understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing. The Local Borrower will comply with this duty and ensure that any subcontracts issued under this Agreement will impose this requirement, in writing, on its subcontractors.

ARTICLE III - LOAN REPAYMENT ACCOUNT

3.01. LOAN DEBT SERVICE ACCOUNT.

The Local Borrower shall establish a Loan Debt Service Account with a Depository and begin making Monthly Loan Deposits no later than the date set forth for such action in Section 10.07 of this Agreement.

Beginning six months prior to each Semiannual Loan Payment, the Local Borrower shall make six Monthly Loan Deposits. The first five deposits each shall be at least equal to one-sixth of the Semiannual Loan Payment. The sixth Monthly Loan Deposit shall be at least equal to the amount required to make the total on deposit in the Loan Debt Service Account equal to the Semiannual Loan Payment amount, taking into consideration investment earnings credited to the account pursuant to Section 3.02.

Any month in which the Local Borrower fails to make a required Monthly Loan Deposit, the Local Borrower's chief financial officer shall notify the Department of such failure. In addition, the Local Borrower agrees to budget, by amendment if necessary, from other legally available non-ad valorem funds all sums becoming due before the same become delinquent. This requirement shall not be construed to give the Corporation a superior claim on any revenues over prior claims of general creditors of the Local Borrower, nor shall it be construed to give the Corporation or the Department the power to require the Local Borrower to levy and collect any revenues other than Pledged Revenues.

3.02. INVESTMENT OF LOAN DEBT SERVICE ACCOUNT MONEYS.

Moneys on deposit in the Loan Debt Service Account shall be invested pursuant to the laws of the State. Such moneys may be pooled for investment purposes. The maturity or redemption date of investments shall be not later than the date upon which such moneys may be needed to make Semiannual Loan Payments. The investment earnings shall be credited to the Loan Debt Service Account and applied toward the Monthly Loan Deposit requirements.

3.03. LOAN DEBT SERVICE ACCOUNT WITHDRAWALS.

The withdrawal of moneys from the Loan Debt Service Account shall be for the sole purpose of making the Semiannual Loan Payment or for discharging the Local Borrower's obligations pursuant to Section 8.01.

3.04. ASSETS HELD IN TRUST.

The assets in all accounts created under this Loan shall be held in trust for the purposes provided herein and used only for the purposes and in the manner prescribed in this Agreement; and, pending such use, said assets shall be subject to a lien and charge in favor of the Corporation.

ARTICLE IV - PROJECT INFORMATION

4.01. PROJECT CHANGES.

Project changes prior to bid opening shall be made by addendum to plans and specifications. Changes after bid opening shall be made by change order. The Local Borrower shall submit all addenda and all change orders to the Department for an eligibility determination. After execution of all construction, equipment and materials contracts, the Project contingency may be reduced.

4.02. TITLE TO PROJECT SITE.

The Local Borrower shall have an interest in real property sufficient for the construction and location of the Project free and clear of liens and encumbrances which would impair the usefulness of such sites for the intended use.

4.03. PERMITS AND APPROVALS.

The Local Borrower shall have obtained, prior to the Department's authorization to award construction contracts, all permits and approvals required for construction of the Project or portion of the Project funded under this Agreement.

4.04. ENGINEERING SERVICES.

A professional engineer, registered in the State, shall be employed by, or under contract with, the Local Borrower to oversee construction.

4.05. PROHIBITION AGAINST ENCUMBRANCES.

The Local Borrower is prohibited from selling, leasing, or disposing of any part of the Utility System which would materially reduce operational integrity or Gross Revenues so long as this Agreement, including any amendment thereto, is in effect unless the written consent of the Department is first secured.

4.06. COMPLETION MONEYS.

In addition to the proceeds of this Loan, the Local Borrower covenants that it has obtained, or will obtain, sufficient moneys from other sources to complete construction and place the Project in operation on, or prior to, the date specified in Article X. Failure of the Corporation or the Department to approve additional financing shall not constitute a waiver of the Local Borrower's covenants to complete and place the Project in operation.

4.07. CLOSE-OUT.

The Department shall conduct a final inspection of the Project and Project records. Following the inspection, deadlines for submitting additional disbursement requests, if any, shall be established, along with deadlines for uncompleted Loan requirements, if any. Deadlines shall be incorporated into the Loan Agreement by amendment. The Loan principal shall be reduced by any excess over the amount required to pay all approved costs. As a result of such adjustment, the Semiannual Loan Payment shall be reduced accordingly, as addressed in Section 10.05.

4.08. LOAN DISBURSEMENTS.

Disbursements shall be made only by the Trustee for expenses incurred by the Local Borrower upon receipt of a requisition in the form provided under the Indenture executed by the Department. Disbursements shall be made directly to the Local Borrower for reimbursement of the incurred construction costs and related services. A requisition for disbursements shall be made upon receipt by the Department of the following:

(1) A completed disbursement request form signed by the Authorized Representative. Such requests must be accompanied by sufficiently itemized summaries of the materials, labor, or services to identify the nature of the work performed; the cost or charges for such work; and the person providing the service or performing the work; and proof of payment.

(2) A certification signed by the Authorized Representative as to the current estimated costs of the Project; that the materials, labor, or services represented by the invoice have been satisfactorily purchased, performed, or received and applied to the Project; that all funds received to date have been applied toward completing the Project; and that under the terms and provisions of the contracts, the Local Borrower is required to make such payments.

(3) A certification by the engineer responsible for overseeing construction stating that equipment, materials, labor and services represented by the construction invoices have been satisfactorily purchased, or received, and applied to the Project in accordance with construction contract documents; stating that payment is in accordance with construction contract provisions; stating that construction, up to the point of the requisition, is in compliance with the contract documents; and identifying all additions or deletions to the Project which have altered the Project's performance standards, scope, or purpose since the issue of the Department construction permit.

(4) Such other certificates or documents by engineers, attorneys, accountants, contractors, or suppliers as may reasonably be required by the Department.

ARTICLE V - RATES AND USE OF THE UTILITY SYSTEM

5.01. RATE COVERAGE.

The Local Borrower shall maintain rates and charges for the services furnished by the Utility System which will be sufficient to provide, in each Fiscal Year, Pledged Revenues equal to or exceeding 1.15 times the sum of the Semiannual Loan Payments due in such Fiscal Year. In addition, the Local Borrower shall satisfy the coverage requirements of all Senior Revenue Debt and Parity Debt obligations.

5.02. NO FREE SERVICE.

The Local Borrower shall not permit connections to, or furnish any services afforded by, the Utility System without making a charge therefore based on the Local Borrower's uniform schedule of rates, fees, and charges.

5.03. RESEVRED.

5.04. NO COMPETING SERVICE.

The Local Borrower shall not allow any person to provide any services which would compete with the Utility System so as to adversely affect Gross Revenues.

5.05. MAINTENANCE OF THE UTILITY SYSTEM.

The Local Borrower shall operate and maintain the Utility System in a proper, sound and economical manner and shall make all necessary repairs, renewals and replacements.

5.06. ADDITIONS AND MODIFICATIONS.

The Local Borrower may make any additions, modifications or improvements to the Utility System which it deems desirable and which do not materially reduce the operational integrity of any part of the Utility System. All such renewals, replacements, additions, modifications and improvements shall become part of the Utility System.

5.07. COLLECTION OF REVENUES.

The Local Borrower shall use its best efforts to collect all rates, fees and other charges due to it. The Local Borrower shall establish liens on premises served by the Utility System for the amount of all delinquent rates, fees and other charges where such action is permitted by law.

ARTICLE VI - DEFAULTS AND REMEDIES

6.01. EVENTS OF DEFAULT.

Upon the occurrence of any of the following events (the Events of Default) all obligations on the part of Department to make any further disbursements hereunder shall, if Department elects, terminate. The Department may, at its option, exercise any of its remedies set forth in this Agreement, but Department may make any disbursements or parts of disbursements after the

happening of any Event of Default without thereby waiving the right to exercise such remedies and without becoming liable to make any further disbursement:

(1) Failure to make any Monthly Loan Deposit or to make any installment of the Semiannual Loan Payment when it is due and such failure shall continue for a period of 30 days.

(2) Except as provided in Subsection 6.01(1), failure to comply with the provisions of this Agreement, failure in the performance or observance of any of the covenants or actions required by this Agreement or the Suspension of this Agreement by the Department pursuant to Section 8.14 below, and such failure shall continue for a period of 30 days after written notice thereof to the Local Borrower by the Department.

(3) Any warranty, representation or other statement by, or on behalf of, the Local Borrower contained in this Agreement or in any information furnished in compliance with, or in reference to, this Agreement, which is false or misleading, or if Local Borrower shall fail to keep, observe or perform any of the terms, covenants, representations or warranties contained in this Agreement, the Note, or any other document given in connection with the Loan (provided, that with respect to non-monetary defaults, Department shall give written notice to Local Borrower, which shall have 30 days to cure any such default), or is unable or unwilling to meet its obligations thereunder.

(4) An order or decree entered, with the acquiescence of the Local Borrower, appointing a receiver of any part of the Utility System or Gross Revenues thereof; or if such order or decree, having been entered without the consent or acquiescence of the Local Borrower, shall not be vacated or discharged or stayed on appeal within 60 days after the entry thereof.

(5) Any proceeding instituted, with the acquiescence of the Local Borrower, for the purpose of effecting a composition between the Local Borrower and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any federal or state statute now or hereafter enacted, if the claims of such creditors are payable from Gross Revenues of the Utility System.

(6) Any bankruptcy, insolvency, or other similar proceeding instituted by, or against, the Local Borrower under federal or state bankruptcy or insolvency law now or hereafter in effect and, if instituted against the Local Borrower, is not dismissed within 60 days after filing.

(7) Any charge is brought alleging violations of any criminal law in the implementation of the Project or the administration of the proceeds from this Loan against one or more officials of the Local Borrower by a State or Federal law enforcement authority, which charges are not withdrawn or dismissed within 60 days following the filing thereof.

(8) Failure of the Local Borrower to give immediate written notice of its knowledge of a potential default or an event of default, hereunder, to the Department and such failure shall continue for a period of 30 days.

6.02. REMEDIES.

All rights, remedies, and powers conferred in this Agreement and the transaction documents are cumulative and are not exclusive of any other rights or remedies, and they shall be

in addition to every other right, power, and remedy that Department may have, whether specifically granted in this Agreement or any other transaction document, or existing at law, in equity, or by statute. Any and all such rights and remedies may be exercised from time to time and as often and in such order as Department may deem expedient. Upon any of the Events of Default and subject to the rights of others having prior liens on the Pledged Revenues, the Department may enforce its rights by, *inter alia*, any of the following remedies:

(1) By mandamus or other proceeding at law or in equity, cause to establish rates and collect fees and charges for use of the Utility System, and to require the Local Borrower to fulfill this Agreement.

(2) By action or suit in equity, require the Local Borrower to account for all moneys received pursuant to this Agreement or from the ownership of the Utility System and to account for the receipt, use, application, or disposition of the Pledged Revenues.

(3) By action or suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Corporation or the Department.

(4) By applying to a court of competent jurisdiction, cause the appointment of a receiver to manage the Utility System, establish and collect fees and charges, and apply the revenues to the reduction of the obligations under this Agreement.

(5) By certifying to the Auditor General and the Chief Financial Officer delinquency on Loan repayments, the Department may provide for the payment to the Trustee of the delinquent amount plus a penalty from any unobligated funds due to the Local Borrower under any revenue or tax sharing fund established by the State, except as otherwise provided by the State Constitution. A penalty may be imposed in an amount not to exceed an interest rate of 18 percent per annum on the amount due in addition to charging the cost to handle and process the debt.

(6) By notifying financial market credit rating agencies and potential creditors.

(7) By suing for payment of amounts due, or becoming due, with interest on overdue payments together with all costs of collection, including attorneys' fees.

(8) By accelerating the repayment schedule or increasing the Financing Rate on the unpaid principal of the Loan to as much as 1.667 times the Financing Rate.

6.03. DELAY AND WAIVER.

No course of dealing between Department and Local Borrower, or any failure or delay on the part of Department in exercising any rights or remedies hereunder, shall operate as a waiver of any rights or remedies of Department, and no single or partial exercise of any rights or remedies hereunder shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder. No delay or omission by the Department to exercise any right or power accruing upon Events of Default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised as often as may be deemed expedient. No waiver or any default under this Agreement shall extend to or affect

any subsequent Events of Default, whether of the same or different provision of this Agreement, or shall impair consequent rights or remedies.

ARTICLE VII - THE PLEDGED REVENUES

7.01. SUPERIORITY OF THE PLEDGE TO THE CORPORATION.

From and after the effective date of this Agreement, the Corporation shall have a lien on the Pledged Revenues, which along with any other Corporation State Revolving Fund liens on the Pledged Revenues, of equal priority, will be prior and superior to any other lien, pledge or assignment with the following exception. All obligations of the Local Borrower under this Agreement shall be junior, inferior, and subordinate in all respects in right of payment and security to the Senior Revenue Debt defined in Section 1.01 of this Agreement and to any additional senior obligations issued with the Department's consent pursuant to Section 7.02. The Corporation may release its lien on such Pledged Revenues in favor of the Department if the Department makes a determination in its sole discretion, based upon facts deemed sufficient by the Department, that the remaining Pledged Revenues will, in each Fiscal Year, equal or exceed 1.15 times the debt service coming due in each Fiscal Year under the terms of this Agreement.

7.02. ADDITIONAL DEBT OBLIGATIONS.

The Local Borrower may issue additional debt obligations on a parity with, or senior to, the lien of the Corporation on the Pledged Revenues provided the Department's written consent is obtained. Such consent may be granted if the Local Borrower demonstrates at the time of such issuance that the Pledged Revenues, which may take into account reasonable projections of growth of the Utility System and revenue increases, plus revenues to be pledged to the additional proposed debt obligations will, during the period of time Semiannual Loan Payments are to be made under this Agreement, equal or exceed 1.15 times the annual combined debt service requirements of this Agreement and the obligations proposed to be issued by the Local Borrower and will satisfy the coverage requirements of all other debt obligations secured by the Pledged Revenues.

ARTICLE VIII - GENERAL PROVISIONS

8.01. DISCHARGE OF OBLIGATIONS.

All payments required to be made under this Agreement shall be cumulative and any deficiencies in any Fiscal Year shall be added to the payments due in the succeeding Fiscal Year and all Fiscal Years thereafter until fully paid. Payments shall continue to be secured by this Agreement until all of the payments required shall be fully paid to the Corporation. If at any time the Local Borrower shall have paid, or shall have made provision for the timely payment of, the entire principal amount of the Loan, and as applicable, Loan Service Fee, interest, and Grant Allocation Assessment charges, the pledge of, and lien on, the Pledged Revenues to the Corporation shall be no longer in effect. Deposit of sufficient cash or Defeasance Obligations may be made to effect defeasance of this Loan. However, the deposit shall be made in irrevocable trust with a banking institution or trust company for the sole benefit of the Corporation or its assignees and shall be subject to approval by the Corporation. There shall be no penalty imposed by the Corporation for early retirement of this Loan.

8.02. PROJECT RECORDS AND STATEMENTS.

Books, records, reports, engineering documents, contract documents, and papers shall be available to the authorized representatives of the Corporation, and the Department for inspection at any reasonable time after the Local Borrower has received a disbursement and until five years after the Final Amendment date.

8.03. ACCESS TO PROJECT SITE.

The Local Borrower shall provide access to Project sites and administrative offices to authorized representatives of the Corporation and the Department at any reasonable time. The Local Borrower shall cause its engineers and contractors to cooperate during Project inspections, including making available working copies of plans and specifications and supplementary materials.

8.04. ASSIGNMENT OF RIGHTS UNDER AGREEMENT.

The Local Borrower hereby expressly acknowledges that the Loan and all payments of principal and interest thereon, and all proceeds thereof, but excluding the Loan Service Fee, have been pledged and assigned to the Trustee under the Indenture as security for the payment of principal of, premium, if any, and interest on the Bonds and the Trustee shall be entitled to act hereunder, and by the execution of this Agreement the Local Borrower in all respects consents to such assignment. The Corporation, the Department and the Trustee may further assign all or any parts of their rights under this Agreement without the prior consent of the Local Borrower after written notification to the Local Borrower. The Local Borrower shall not assign its rights and obligations under this Agreement without the prior written consent of the Department.

8.05. AMENDMENT OF AGREEMENT.

This Agreement may be amended in writing, except that no amendment shall be permitted which is inconsistent with any applicable statutes, rules, regulations, executive orders, or written agreements between the Department and the U.S. Environmental Protection Agency (EPA). This Agreement may be amended after all construction contracts are executed to re-establish the Project cost, Loan amount, Project schedule, and Semiannual Loan Payment amount. A Final Amendment establishing the final Project costs and the Loan Service Fee based on actual Project costs shall be completed after the Department's final inspection of the Project records.

8.06. ABANDONMENT, TERMINATION OR VOLUNTARY CANCELLATION.

Failure of the Local Borrower to actively prosecute or avail itself of this Loan (including e.g. described in para 1 and 2 below) shall constitute its abrogation and abandonment of the rights hereunder, and the Department may then, upon written notification to the Local Borrower, suspend or terminate this Agreement.

(1) Failure of the Local Borrower to draw Loan proceeds within eighteen months after the effective date of this Agreement, or by the date set in Section 10.07 to establish the Loan Debt Service Account, whichever date occurs first.

(2) Failure of the Local Borrower, after the initial Loan draw, to draw any funds under the Loan Agreement for twenty-four months, without approved justification or demonstrable progress on the Project.

Upon a determination of abandonment by the Department, the Loan will be suspended, and the Department will implement administrative close out procedures (in lieu of those in Section 4.07) and provide written notification of Final Unilateral Amendment to the Local Borrower.

In the event that following the execution of this Agreement, the Local Borrower decides not to proceed with this Loan, this Agreement can be cancelled by the Local Borrower, without penalty, if no funds have been disbursed.

8.07. SEVERABILITY CLAUSE.

If any provision of this Agreement shall be held invalid or unenforceable, the remaining provisions shall be construed and enforced as if such invalid or unenforceable provision had not been contained herein.

8.08. USE AS MATCHING FUNDS.

ARTICLE X - DETAILS OF FINANCING

10.01. PRINCIPAL AMOUNT OF LOAN.

The estimated principal amount of the Loan is \$1,840,250, which consists of \$1,840,250 to be disbursed to the Local Borrower and \$0 of Capitalized Interest.

Capitalized Interest is not disbursed to the Local Borrower, but is amortized via periodic Loan repayments as if it were actually disbursed. Capitalized Interest is computed at the Financing Rate, or rates, set for the Loan. It accrues and is compounded annually from the time when disbursements are made until six months before the first Semiannual Loan Payment is due. Capitalized Interest is estimated prior to establishing the schedule of actual disbursements.

If the total amount disbursed within eighteen months after the effective date of this Agreement is less than half of the Loan proceeds amount authorized for disbursement, the Department may unilaterally reduce the amount authorized for disbursement. Such a reduction would not affect the total authorized Loan amount.

10.02. LOAN SERVICE FEE.

The Loan Service Fee is estimated as \$36,805 for the Loan amount authorized to date. The fee represents two percent of the Loan amount excluding Capitalized Interest amount; that is, two percent of \$1,840,250. The Loan Service Fee is estimated at the time of execution of the Loan Agreement and shall be revised with any increase or decrease amendment. The Loan Service Fee is based on actual Project costs and assessed in the Final Amendment. The Local Borrower shall pay the Loan Service Fee from the first available repayment(s) following the Final Amendment.

10.03. FINANCING RATE.

The Financing Rate on the unpaid principal of the Loan amount specified in Section 10.01 is 0 percent per annum. The Financing Rate equals the sum of the interest rate and the Grant Allocation Assessment Rate. The interest rate is 0 percent per annum and the Grant Allocation Assessment rate is 0 percent per annum. However, if this Agreement is not executed by the Local Borrower and returned to the Department before July 1, 2022, the Financing Rate may be adjusted. A new Financing Rate shall be established for any funds provided by amendment to this Agreement.

10.04. LOAN TERM.

The Loan term shall be 20 years.

10.05. REPAYMENT SCHEDULE.

Repayments shall be made semiannually (twice per year). The Semiannual Loan Payment shall be computed based upon the principal amount of the Loan plus the estimated Loan Service Fee and the principle of level debt service. The amount of Loan proceeds authorized for disbursement and associated Capitalized Interest will be treated as the Loan principal for computing the Semiannual Loan Payment. The Semiannual Loan Payment amount may be adjusted, by amendment of this Agreement, based upon revised information. After the final disbursement of Loan proceeds, the Semiannual Loan Payment shall be based upon the actual Project costs and the Loan Service Fee, and actual dates and amounts of disbursements, taking into consideration any previous payments. Actual Project costs shall be established after the Department's inspection of the completed Project and associated records. The Corporation will deduct the Loan Service Fee and all associated interest from the first available repayments following the Final Amendment.

Each Semiannual Loan Payment shall be in the amount of \$46,926 until the payment amount is adjusted by amendment. The interest and Grant Allocation Assessment portions of each Semiannual Loan Payment shall be computed, using their respective rates, on the unpaid balance of the principal amount of the Loan, which principal includes Capitalized Interest. Interest (at the Financing Rate) also shall be computed on the estimated Loan Service Fee. The interest and Grant Allocation Assessment on the unpaid balance shall be computed as of the due date of each Semiannual Loan Payment.

Semiannual Loan Payments shall be paid to, and must be received by, the Trustee beginning on February 15, 2024 and semiannually thereafter on August 15 and February 15 of each year until all amounts due hereunder have been fully paid. Funds transfer shall be made by electronic means.

The Semiannual Loan Payment amount is based on the total amount owed of \$1,877,055, which consists of the Loan principal and the estimated Loan Service Fee.

10.06. PROJECT COSTS.

The Local Borrower, the Corporation and the Department acknowledge that the actual Project costs have not been determined as of the effective date of this Agreement. Project cost adjustments may be made as a result of construction bidding or Project changes agreed upon by the Department. Capitalized Interest will be recalculated based on actual dates and amounts of Loan disbursements. If the Local Borrower receives other governmental financial assistance for this Project, the costs funded by such other governmental assistance will not be financed by this Loan. The Department shall establish the final Project costs after its final inspection of the Project records. Changes in Project costs may also occur as a result of an audit.
