Hi Rachael,

This will be your second request to postpone Special Exception application PZ #21-17000010. Please formally put your request to postpone your item in writing (email is fine) to the following ZBA meeting, which will be held on February 17, 2022. **This will be your final opportunity to postpone this application.**

As per the ZBA Rules of Procedure:

*The Board Chair has the authority to grant a postponement of any matter set for the first time upon the filing of a written request by an applicant, and the item shall remain on the agenda for ratification by the Board on the record, and reset for the next scheduled meeting. An applicant need not be present at such time. A second request to postpone an item must be considered at the meeting scheduled for the item. It is not required that the applicant be present at the meeting.*

*Failure of an applicant to proceed at the next hearing scheduled for the matter following two (2) postponements, shall result in the matter being stricken from the agenda by the Board. Any such matter stricken must undergo a new application process to again be placed before the Board for a determination.*

Martha, I've been really sick for the last 10 days. I can probably do the zoom Thursday but I'm coughing a lot. Any chance it could be next week?
