B. AUDIENCE TO BE HEARD

Mayor Hardin announced that it was time for “Audience To Be Heard” and offered the following guidelines: Once your name is called, please come forward to the podium in front of the commission, state your name and address for the record. Speakers will be limited to three minutes to speak on any item of concern or interest, including those items pulled from the Consent Agenda. In addition, he asked speakers not to speak on any items on tonight’s agenda, as they will have that opportunity to do so when that item comes forward. Lastly, he requested that speakers refrain from any emotional outbursts in either support or non-support of the speaker’s comments.

The following persons were called to speak:

Appearance of the City - David Miller, District 5 - Pompano Beach, FL, spoke about the appearance of the City and how it is beginning to look good. He recognized the Community Redevelopment Agency’s (CRA) efforts and contribution to the improvements in the City’s appearance.

Intimidation - Mr. Miller commented on an incident involving intimidation between Comr. Floyd and her opponent, which he felt disheartened when it was brought to his attention.

Tiger Trail Festival - Mr. Miller expressed appreciation for the check that was presented earlier for the Tiger Trail Festival. He indicated that more funding will be needed for the festival, specifically for the Collier City Trail Blazers, of which he is a participant in that event.

Homelessness - Tundra King, 124 NW 15th Street, Pompano Beach, FL, expressed concern about homelessness in the community. She acknowledged that a woman contacted her concerning the issue at Moreland Academy located at 3171 W. Atlantic Blvd., which she understands a fine may be issued and can result in a lien on the property, but the people are still there. She thinks something should be put in place to help the homeless, to assist them to find someplace to live, to get food and so forth. She said capacity at the facility on Blount Road is about 100, which is not enough and they may have cut down because of the coronavirus. Therefore, the City needs to find another way to assist the homeless.

Expression of Appreciation - Joselyn Jackson, Pompano Beach, FL, thanked City Manager Greg Harrison, Assistant City Manager Earl Bosworth along with Peter McGinnis and his staff, as well as the Broward Sheriff’s Office, Parks & Recreation staff and Ground Maintenance staff, for their support of the Voter Registration Block Party and food drive event held Saturday (September 24, 2022). She announced an upcoming Cancer Walk event on November 12th and on December 18th, there will be a Christmas Party at

the Ali Building for the older members in the community.

Acknowledgement at community events - Ms. Jackson directed a comment to Vice Mayor Perkins, citing that she is aware that the Vice Mayor has attended two of her events and moving forward she respectfully requested that whoever is holding an event in the community should be acknowledged by those who are in attendance.

Vice Mayor Perkins thanked Ms. Jackson for putting together the event. Although she is unable to attend all events, she tries to attend as many as she possibly can.

Code Changes - Peter Lindgren, Pompano Beach, FL, stated he was in attendance to speak on code changes concerning R3 and R4, however Mayor Hardin pointed out that the subject matter is on the Agenda and Mr. Lindgren will be afforded the opportunity to speak when the item comes up for discussion.

A motion was made by Vice Mayor Perkins, seconded by Commissioner McGee, that the Consent Agenda be APPROVED.

The motion carried unanimously.

1. [22-604](#) A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF POMPANO BEACH, FLORIDA, APPROVING AND AUTHORIZING THE PROPER CITY OFFICIALS TO EXECUTE A FIRST AMENDMENT TO THE INTERLOCAL AGREEMENT BETWEEN THE CITY OF POMPANO BEACH AND THE CITY OF LIGHTHOUSE POINT FOR AN ANNUAL NAUTICAL FLEA MARKET; PROVIDING AN EFFECTIVE DATE.

A motion was made by Vice Mayor Perkins, seconded by Commissioner Eaton, to APPROVE/ADOPT the item under the Consent Agenda. The motion carried unanimously.

Enactment No: RES. No. 2022-234

2. [22-595](#) A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF POMPANO BEACH, FLORIDA, APPROVING AND AUTHORIZING THE PROPER CITY OFFICIALS TO EXECUTE A LED LIGHTING AGREEMENT BETWEEN THE CITY OF POMPANO BEACH AND FLORIDA POWER & LIGHT COMPANY FOR THE CYPRESS LAKES NEIGHBORHOOD; PROVIDING AN EFFECTIVE DATE.

(Fiscal Impact: \$159,350.53)

(Staff Contact: Fernand Thony/Horacio Danovich)

Comr. Floyd pulled the item and indicated that in her review of the agenda item, she noticed a typo that should have read as Cypress Bend, not Cypress Lakes.

Horacio Danovich, Stegia LLC, Consultant for the City, confirmed that it is Cypress Lakes. He said Cypress Bend is on the list and according to a handout he distributed (**attached as Exhibit 1**), it provides a listing of all the areas that are coming online as funding is set aside every year. Therefore, Cypress Bend will be addressed as well. He then provided a brief background of the challenges associated with the item to include limited funding. As a result, staff established a plan for the area that needed to be addressed, based on priority, needs and coverage, so the handout shows the priority levels. Upon completion of the current priority areas of Cypress Lakes, Garden Isles, and Lyons Park, the next areas in the plan will include Palm Aire, Cypress Bend and Race Track Road. However, Race Track Road will be taken off the list, because it is being handled by the County with surtax funds.

Comr. Floyd stated the reason for the inquiry was due to an incident that occurred in Cypress Bend on September 14, 2022. She alleged that because the area is so dark, it was a factor that contributed to the car-jacking incident that day. She opined if there was LED lighting in Cypress Bend, that could have prevented the incident. Therefore, she requested if staff can explore options to expedite getting some lighting for that area. This was one of her requests since she was elected to office, to have lighting in that area. In fact, she has driven there and noticed how dark it was.

Mr. Danovich indicated that at the direction of the City Commission, the priority list can be amended. He explained that the purpose of the priority list was to provide a road map on how to address the areas. If there is a particular area that the City Commission wants to address for any reason, staff together with the consultants can take a look at it and readjust the priority list.

Comr. Floyd stated that the attack that occurred at Cypress Bend was really bad. If adjustments can be made to the lighting situation there, she believes it would please the residents of Cypress Bend and help reduce crime.

Comr. McMahon asked what was the basis of the priorities and if a lighting test was done to determine the areas that needed more lighting.

Mr. Danovich stated that the priorities were based on coverage.

Comr. McMahon expressed excitement for the next phase of the priority areas of Cypress Lakes, Garden Isles, and Lyons Park. He thanked the City Commission for supporting such a large budget to light up the city. In regard to Comr. Floyd's concern, he inquired if the City can ask Florida Power & Light Company (FPL) to switch out some of the lights as he recalled making a similar request for certain lights to be switched to LED lights. Perhaps it can be done in the darkest area or where the incident took place.

Mr. Danovich stated he would look into it and will update the City Commission, as soon as he receives an answer from FPL.

David Miller, District 5 - Pompano Beach, FL, thanked Mr. Danovich for his hard work. He said the lights will make a difference and should be made a priority.

Therefore, he recommended the City Commission to say no to the ordinance.

Ronald Biehl, 1685 NE 31st Street, Pompano Beach, FL, spoke in favor of the proposed ordinance, stating that the applicant has gone through the zoning process and passed. He said they have turned the subject property from a junk yard to a palace.

Tom Johnston, 633 E. Atlantic Blvd., Pompano Beach, FL, spoke in favor of the proposed legislation, stating it is a Text Amendment that provides certain safeguards. The two-mile radius mentioned in the ordinance is to protect the public from having too many of these types of businesses next to each other. Continuing, Mr. Johnston stated he represents the new auto toy store located in the City and he supports the proposed ordinance.

David Miller, 2621 NW 13th Street, Pompano Beach, FL, stated he is familiar with the area and indicated there are a lot of rich African-American neighborhoods in that area as well. Therefore, he asked the City Commission not to frown on those individuals who would come before them to request a rezoning.

Comr. Eaton stated she maintains her position on first reading that the use is consistent with the surrounding

area and she will support the item.

Mayor Hardin asked how would Sienna Motors be impacted by the ordinance.

Mr. Voigt stated that existing businesses are not impacted at all, only used car sale businesses.

James Kahn, Planner, Keith & Associates, Inc., stated Sienna Motors is owned by Sheenan and as a new car dealer they are grandfathered as is.

Mr. Keester-O'Mills stated the area where Sienna Motors is located was annexed into the city after the adoption of the regulation, so they have existed since they were in the County. Under the City's current regulation Sienna Motors would not be permitted to have an outdoor car lot.

Mayor Hardin asked if the ordinance passes, will it have any impact on Sienna Motors.

Mr. Keester-O'Mills responded if this code amendment passes and a new operator goes in and Sienna Motors ceases to operate for a period of six months, it may impact that property.

A discussion ensued among Mayor Hardin, Comr. McGee and Mr. Keester-O'Mills, of the impacts that the proposed ordinance would have on Sienna Motors upon passage.

October 25, 2022 at 6:00 p.m. - Regular City Commission Meeting

G. REPORTS

Gregory Harrison, City Manager - Reschedule of Community Court - Mr. Harrison stated he previously reported the launching of the new Community Court on September 29, 2022, however the judge decided to postpone the launch to October 13, 2022 at 1:00 pm at the Annie Weaver Center.

Special Recognition of Broward Sheriff's Office (BSO) staff - Mr. Harrison recognized the following

Captain Stallings - Mr. Harrison stated in 2020 Captain Stallings saw people that were unable to drive to a testing site during the Covid-19 pandemic, so he made arrangements with health organizations to go to their homes, which Mr. Harrison thought was a great idea. Therefore, Captain Stallings was awarded the 2020 Sheriff Distinguish Community Service Award by the Sheriff's Command Staff.

Captain Torres - Mr. Harrison stated Captain Torres was awarded the First Responder of the Year Award from the Broward Recovery Organization. This was given to him because of his leadership and expertise that provided recovery resources to assist individuals in giving them hope, opportunity and a better quality of life.

Mr. Harrison shared with the Commission photographs taken of the BSO Captains at the award ceremony.

Recognition of City Employees - Mr. Harrison mentioned that with Suzette Sibble's leadership, the City won an award from the National Parking Association for the City's Parking Garage. He said the award should rest prominently in Ms. Sibble's office because she led the group, and he recognized Jeff Lantz, Parking Manager who assisted in this endeavor. He then directed the Commission's attention to a short video from the Association recognizing the City as the recipient of its 2022 Innovative Organization of the Year Award.

Mark Berman, City Attorney - Reschedule of Community Court - Mr. Berman stated due to the courts being closed, the launching of the Community Court was rescheduled to October 13, 2022, of which the Commission will receive notice.

Medical Leave - Mr. Berman reminded the Commission that starting next Tuesday he will be out of office for a surgery operation and will be unavailable for two weeks. He will attempt to work from home on the third week and he anticipates to be back in time for the second meeting in October. In the meantime, Deputy City Attorney Tracy Lyons will be filling in on his behalf at the next meeting, and if they need anything, he suggested they contact Ms. Lyons, Assistant City Attorney James Saunders or Assistant City Attorney Fawn Powers.

Tornado/Tropical Storm Warning - Mr. Berman stated he received several alerts during the meeting that Pompano Beach is under a tornado warning and tropical storm warning. Therefore, he urged everyone to be safe.

Kervin Alfred, Deputy City Clerk - No Report

Mayor Hardin thanked Mr. Alfred this evening for doing a good job at the meeting.

Comr. Cyndy Floyd - Capt. Stallings - Comr. Floyd congratulated Capt. Stallings and said she was proud of him.

She then referred to Agenda Items 1, 2, 8 and 12 from last week's CRA meeting that were related to the botanical garden, which she thinks will be wonderful; however, she recalls there were two agenda items in particular involving very large grants. Therefore, she asked if the City's grant writers can write a grant for a jumbotron or find grants related to sports. Also, she asked if she can sit with the grant writers to possibly write a grant for the jumbotron.

Continuing, Comr. Floyd mentioned while conducting a google search, she found 70 sports and recreation grants available for Florida. She said if a \$2 million grant can be written for the botanical garden, perhaps they can get the \$300,000 jumbotron through a grant as well. Therefore, she asked the City Manager if he can setup a meeting with her along with the grant writer to review this matter further, hopefully by next week, to which Mr. Harrison agreed to do so at her convenience.

Comr. Andrea McGee - New Beach Bike Racks - Comr. McGee thanked the Public Works Department for installing new bike racks at the beach. For those who ride their bikes to the beach, they can now tie it up securely. One of the racks is a giant yellow octopus and another is an orange octopus. Also, there is a dolphin bike rack.

Tropical Storm Preparations - Comr. McGee thanked city staff, BSO and the Fire Department for all prework done in getting ready for the storm. She then urged everyone to be safe and wished positive energy for those on the west coast, central and north Florida.

Comr. Tom McMahon - Traffic Counts - Comr. McMahon stated he had a meeting with the City Engineer, City Manager and the Police Chief about traffic in Old Pompano. They are looking very closely at some things that need to be addressed in the neighborhood. In the last few years, the City has done over 30 traffic counts in that area. Oftentimes, the counts comeback not resulting in the need for speedbumps or control devices, however there are a couple areas of concern that were brought up and will be made a priority.

Crossing from Youth Sport Complex site - Comr. McMahon spoke about the challenges experienced when attending events at the Sample McDougal House. He said attempting to cross over from the Youth Sport Complex site to the Sample McDougal House is not safe, especially when cars are coming around the corner. Therefore, he is working with the City's engineers to create a safer sidewalk, crosswalk and perhaps putting

speed control devices before and after the crosswalk.

Continuing, Comr. McMahon stated the Youth Sport Complex is coming along well. The smaller youth field has the artificial sod down now. He highlighted all the progress in the complex thus far. He was excited to see all the wonderful things the City has been able to accomplish with the GO Bond funds.

Vice Mayor Beverly Perkins - Commercial Vehicle Fines - Vice Mayor Perkins thanked City Attorney Berman for modifying the fines for commercial vehicles.

Street Lights - Vice Mayor Perkins brought to the City Manager's attention that the street lights on the north side of MLK Jr. Blvd. from Powerline Rd. to Dixie Hwy. are not working.

Sand Bags - Vice Mayor Perkins stated a resident called her asking if the City was giving out sand bags. She then requested that staff look into Northwest 17th Court in Kendall Lakes where a group of residents that live in front of a lake can barely get in and out of their driveways because of the water.

Chief's Parade - Vice Mayor Perkins reported that on Saturday she attended the Chief's Parade. She said it was the most successful parade by far, which was well attended. She then gave a shout out to Dimitris Brown who did a great job.

He said if anyone needs the services of Congresswoman Cherfilus-McCormick, her staff will be available to the public on those dates.

City Clerk Asceleta Hammond's Retirement - Mayor Hardin stated that the City Clerk had announced to the City Commission her resignation and will retire on November 30, 2022. He wanted to thank her and he hoped she was watching the meeting from home. He presented on behalf of the City Commission a beautiful bouquet of roses to express their appreciation for everything she has done through the years, since taking office after former City Clerk Mary Chambers. He said they will really miss her.

Continuing, Mayor Hardin indicated that in Mrs. Hammond's retirement letter she highly recommended that the Commission select her able assistant Mr. Kervin Alfred to take her place. He said Mr. Alfred has done a marvelous job through the years and is doing a great job filling-in for Ms. Hammond currently. Therefore, he made a motion to appoint Mr. Alfred as the next City Clerk. He said it is great to have a working relationship but it is necessary to have this happen now so there would be no transitional hiccups. Although, he works side-by-side with Mrs. Hammond, taking over as the City Clerk there is more he will need to learn. Therefore, he recommended this matter be handled now so it would be a seamless transition on November 30th.

Motion made by Mayor Hardin and seconded by Comr. Eaton to appoint Kervin Alfred as the next

City Clerk. Motion carried by unanimous voice vote.

Voter Registration at E. Pat Larkins Center - Vice Mayor Perkins reminded everyone that every Tuesday and Thursday, the public can register to vote or ask information about voter registration at the E. Pat Larkins Center.

Event Organized by Ms. Joselyn Jackson - Mayor Hardin stated this past weekend, Ms. Joselyn Jackson organized an event with many other individuals, as well as the Supervisor of Election's Office was out there along with drive-thru food delivery service. He was also in attendance. Overall, it was a great event.

Waste Management Trash Pickup Routes - Mr. Harrison indicated that Waste Management will not run their routes tomorrow (September 28, 2022). Not only in Pompano Beach, but the entire Tri-County area, from Miami Dade up to Palm Beach. However, what they do not pickup tomorrow, they will pickup everything on Saturday. This will impact Vice Mayor Perkins' district, which he brought it to her attention earlier.

Mayor Hardin urged all viewers to tell their neighbors not to put out their garbage, bulk or recycling tomorrow. He said there is no sense of having garbage bins, recycle bins or any bulk pickup if there is going to be high winds.
