Recipients are required to take reasonable steps to ensure meaningful access to LEP persons. This "reasonableness" standard is intended to be flexible and fact dependent. It is also intended to balance the need to ensure meaningful access by LEP persons to critical services while not imposing undue financial burdens on small businesses, small local governments, or small nonprofit organizations. As a starting point, a recipient may conduct an individualized assessment that balances the following four factors:

- The number or proportion of LEP persons served or encountered in the eligible service population ("served or encountered" includes those persons who would be served or encountered by the recipient if the persons received adequate education and outreach and the recipient provided sufficient language services);
- The frequency with which LEP persons come into contact with the program;
- The nature and importance of the program, activity, or service provided by the program; and
- The resources available and costs to the recipient.

Examples of applying the four-factor analysis to HUD-specific programs are located in

Describe the outcomes of the 4-Factor Analysis for Limited English Proficiency: See attached Outcomes of 4-Factor Analysis for Limited English Proficiency.

### Detailed Budget Assumptions

Explain the proposed project budget, explaining how you derived costs for each activity cost of the budget form. Your assumptions should include:

- How this budget is reasonable and appropriate considering the scope, substance, and duration of the proposed project.
- The basis and the assumptions behind the activity cost calculations. Be detailed and specific.
- Detail on any equipment purchases using CDBG funds over \$300.
- Source documentation of the costs, such as an engineer's preliminary cost estimate.

The City's total grant request is \$518,651. With these funds the City of Pompano Beach implement two activities: 1. Emergency Rental Assistance & 2. Program Administration.

\$477,159 will be allocated to the Emergency Rental Assistance Activity and the remaining \$41,492 (8% of total award) will be allocated to Program Administration.

\$477,159 will allow the City to provide up to six (6) months of Emergency Rental Assistance to approximately 80 City of Pompano Beach residents who have experienced a COVID-19 economic hardship.

$\$477,159 / 80 \text{ people} = \$5,964.49$ .

$\$5,964 / 6 \text{ months of rent} = \$994 \text{ per month}$ .

No equipment will be purchased with CDBG funds. Both activities will be carried out by City Staff so there will be no additional costs.

Does the proposed project require the applicant to acquire real property?  Yes  No

**If yes, please explain the status of acquisition (i.e., no site identified, option to purchase executed)**

Emergency rental assistance does not require site control of properties.

**If no, briefly explain the status of site control in all properties necessary to complete the project (i.e., activities will be carried out on property owned by the sub-recipient or local government).**

Emergency rental assistance does not require site control of properties.

Select the CDBG National Objective the project/program is intended to meet. Choose one (1) of the following national objectives and the specific benefit for that national objective:

- Benefit to Low- and Moderate- Income Persons
  - Area Benefit
  - Limited Clientele
  - Jobs
  - Housing
- Prevention or Elimination of Slums or Blight
  - Area Basis
  - Spot Basis
- Urgent Need

Explain why the National Objective was selected and how this project meets the criteria of that Objective. Refer to the Instructions, on pages 6-8, for further guidance on the criteria and information that must be included. Specifically, make sure to address the questions listed for the chosen national objective.

This program is eligible for CDBG funding under 570.207(b)(4) and the National Objective is LMI Limited Clientele 570.208(2)(C). HUD's Office of Community Planning and Development (CPD) posted an advance version of a notice waiving certain regulations pertaining to \$5 billion in supplemental Community Development Block Grant program funds (CDBG-CV) Congress appropriated through the CARES Act. The notice will eventually be published in the Federal Register. The most significant waiver extends to six consecutive months (up from three) the period over which a CDBG grantee (a city, county, or state) may provide emergency rental assistance to a household unable to pay rent because its income has decreased due to the coronavirus pandemic. The regular CDBG program regulations [24 CFR 570.207(b)(4)] allow grantees to provide emergency payments of rent, utility, mortgage, food, or clothing assistance for up to three months to the provider of the service (e.g. landlord) on behalf of a household. The waiver will extend the period to six months. The notice adds that grantees must document how they will determine that the amount of assistance to be provided is necessary and reasonable.
